

Town of Canton

50 Old River Road, PO Box 168
Collinsville, CT 06022

Office of Department of Water Pollution Control

FATS, OIL and GREASE INFORMATION SHEET (FOG)

To view the State of CT – DEP: “General Permit of the Discharge of Wastewater Associated with Food Preparation Establishments” visits the following webpage:
http://www.ct.gov/dep/lib/dep/Permits_and_Licenses/Water_Discharge_General_Permits/food_prep_establishment_gp.pdf--

Suggested Automatic Grease Recovery Units (AGRU) Manufacturers:

- Big Dipper: www.Big-Dipper.com
- Highland Tank: www.Highlandtank.com

The WPCA may consider the use of another manufacturer: Call 693-7894 for approval.

Outdoor Grease Trap Interceptor Installers:

See your local phone book or contact the Ct State Department of Public Health for a complete listing of Septic tank installers.

This is a list of Renderers who will assist you in maintaining your interceptor.

Suburban Sanitation Services	Canton	(860) 673-3078
Christopher Bryant	Simsbury	(860) 651-7060
Russ's Septic Service	Barkhamstead	(860) 379-7488

For Fryolators and AGRU'S: Grease discarded by Food Preparation Facilities can often be converted to tallow and reuse to make a variety of products. Because grease can be easily separated from other waste and has a beneficial use, it should not be poured into a sink or discarded in the trash. A list of renderers who can recycle waste oil is provided below:

Western Mass Rendering Co.		(413) 569-6265
Baker Commodities Inc		(978) 454-8811
