Dear Canton Public Schools Community,

The Canton Board of Education is beginning the search process for our next Superintendent of Schools and we are seeking the community's input.

The purpose of the survey is to gauge the community's perspective on the qualities, experiences, and characteristics desired in a new Superintendent. We encourage all community members to participate. The survey is anonymous and is being administered by the Connecticut Association of Boards of Education (CABE). The survey link will be active through October 21, 2022.

Feedback from the survey will be incorporated into a Leadership Profile that will guide the Canton Board of Education in identifying a candidate who best fits the needs of the Canton Public School District.

The Canton Board of Education will share the feedback of the survey at a special meeting scheduled for Wednesday, November 9, 2022. Meeting details and location to follow. Survey results will also be accessible online.

On behalf of the Canton Board of Education, I encourage the community to be a part of this important process and appreciate your time and comments.

Sincerely,

Louis M. Daniels
Chair, Canton Board of Education
