TOWN OF CANTON: FISCAL YEAR 2015-2016

BOARD OF SELECTMEN & BOARD OF EDUCATION FINAL PROPOSED BUDGET

MARCH 9, 2015

TOWN OF CANTON FISCAL YEAR 2015-2016 BUDGET FIRST SELECTMAN BUDGET MESSAGE

Dear Board of Finance.

In accordance with Section 9.0(c) (1) of the Town Charter, I am honored on behalf of the Board of Selectmen to submit the Bard of Selectmen's Proposed Annual Budget for Fiscal Year 2015-2016 which was unanimously adopted by the Board at its February 19, 2015 special meeting. The total budget of \$10,082,815 represents a 4.37% increase in expenditures over last year's adopted budget.

It is significant to note that the increase of \$172,056 in the Town operating budget is 1.97% over the previous fiscal year. Despite this modest increase the budget will provide for expansion of services in several important areas. First, the current part-time administrative assistant in the Public Works Department will be expanded to a full-time position. The DPW currently includes 15 employees who oversee road maintenance, field maintenance for both the Parks and Recreation Department fields and the School's sports fields, operate the transfer station and maintain all Town buildings. Considering that over \$1.9 million or 19% percent of the total Board of Selectmen's budget is dedicated to maintaining town roads this additional administrate staffing is warranted.

The Town has continued to manage our Information Technologies program without a full time IT professional. Under this budget we will continue that trend but have expanded the number of hours per week of our IT consultant from 12 to 15 hours. While the combination of the increased consultant services and continued sharing of an IT staffer with the Library will be adequate at this time in the future it will be necessary to increase the resources in this area as the expansion and complexity if our IT needs expands.

This budget will continue to provide the existing level of resources in our Public Safety Department, Land Use programs and the Library. There are no proposed increases in other Administrative areas.

Town officials are constantly looking for ways that existing resources can be used more efficiently. One area that the Town has analyzed is Transfer Station operations. Currently the transfer station is open five days a week. Although this is a convenience to a limited group of people it is not consistent with other municipal transfer stations. Most other similar towns have their transfer stations open three days a week or less (see the Director of Public Works memo attached in the Appendices). The budget proposes that the Transfer Station be open three days a week, including evening hours one day a week during daylight savings time. This will be more convenient for people who work and should decrease the slow periods at the Transfer Station. It also allows the current full time employee at the Transfer Station to be shifted to other Public Works operations during the days the Transfer Station is closed. This will help the Parks Department to maintain the grounds and recreation fields. Although part of the proposal is to reduce the Transfer Station permit fee, the expenses for the Transfer Station will not change significantly because the amount of waste will remain the same and therefore the cost to transport and dispose of the waste will remain the same.

There are some areas where operating expenses have fallen. For many years two of the largest drivers of the budget have been pension contributions and health insurance. For the first time in recent memory both the amount budgeted for pensions and health insurance has actually decreased. There are a number of reasons why the health insurance is down. One is that compared to prior years town employee health experience is better. Also, the Town adopted changes to the health insurance plan and in particular the adoption of high deductible health savings accounts which resulted in savings. The Town's pension contribution has decreased because with a better market, the income raised by the pension fund has increased.

The capital Improvement budget is reserved for those capital items which cost over \$10,000. The major components of the capital improvement budget are road maintenance, purchase of Public Safety vehicles including police cruisers, fire vehicles and ambulances, and DPW trucks and equipment. The practice is to annually set aside a portion of vehicle costs so that when replacement is necessary the funds will be available. Historically, the only exception to this has been the purchase of the ladder truck for the Fire Department which has been bonded because of the large cost of that apparatus. The proposed capital improvement budget is recommended to increase \$250,147 in order to provide an additional \$100,000 for road maintenance and cover the routine cost of vehicle replacements. With this increase the Town will be committing \$600,000 annually to our road maintenance program. The Pavement Management Program (PMP) developed by our consultant three years ago recommended that \$600,000 to \$700,000 be expended annually in order to just maintain the existing condition of our roads. The PMP projected that \$14M to \$17M would be needed to upgrade all our roads to a C+ level. The bonding of \$6,000,000 for road improvements two years ago is staring to result in an improvement of many of our poorer roads. However, if we do not annually expend the appropriate level of funding for maintenance our progress will be short lived and economically foolish.

The Board of Selectmen continue to explore ways to express to the taxpayers' the cost of services provided in their "general government" budget. If the Board's proposed budget along with the Board of Educations adopted budget and the debt service costs for FY15-56 authorized by the Board of Finance are approved the annual tax for the average residential house will increase to \$7012 per year or \$584 per month. The Selectmen's "general government" budget will then be 27.2% of the total town FY15-16 budget. The average residential homeowner will therefore be assessed \$159 per month for all town "general government" services including Police and Fire/EMS services, DPW road maintenance and snow removal, mowing of both town recreational and school athletic fields, the library, senior/social services and town building and infrastructure maintenance. By comparison the homeowner cost of bundled phone, internet and cable television services often exceeds \$200 per month.

Once again, the Board would like to acknowledge the efforts of Chief Administrative Officer Robert Skinner, Chief Financial Officer Amy O'Toole, Executive Assistant Claudia Nardi and the Department Directors in the development of this budget. Canton continues to benefit from extremely talented and dedicated staffs, who continues to deliver outstanding services to our citizens. I look forward to working with the Board of Finance to adopt the proposed Board of Selectmen's FY2015-2016 budget which allows the Town to meet the service expectations of our citizens and maintain our infrastructure.

Sincerely,

Richard J. Barlow

Richard & Barlow

First Selectman

TOWN OF CANTON

FINAL PROPOSED FISCAL YEAR 2015-2016 BUDGET

GENERAL GOVERNMENT

1010	Board of Selectmen
1020	Chief Administrative Officer
1030	Elections
1050	Probate Court
1100	Town Counsel
1110	Town Clerk
1585	Contingency
1901	Information Technologies

GENERAL GOVERNMENT BOARD OF SELECTMEN – 1010

EXPLANATION

Pursuant to the Town Charter, the Board of Selectmen is comprised of the First Selectman and four Selectmen who serve as the governing body of the Town. The Board of Selectmen sets policy and authorizes action on all matters pertaining to the Town's administration (except matters related to the Board of Education). The Board also appoints the Chief Administrative Officer, certain Department Heads and Town Counsel, approves ordinances, accepts public roads and improvements and accepts gifts on behalf of the Town and disposes of Town property.

BUDGET CHANGES AND COMMENTARY

- First Selectman's Salary: The First Selectman's salary remains at \$15,000.
- Dues and Memberships: Regional Agencies that the Town is a member of. Funding for Sam Collins Day was transferred to Community Agencies. The dues for the Solid Waste Authority have been transferred to the Transfer Station Special Revenue Fund.

		FY13-14	FY 14-15	FY 15-16
Organization	Description	Dues	Dues	Dues
Natural Gas Consortium (CRCOG)	Natural Gas Participation Fee	500	0	0
Capitol Region Conference of Governments (CRCOG)	Regional planning organization that services 29 municipalities within Greater Hartford Region	8,009	8,009	9,629
Capital Region Education Council (CREC)	Membership in cooperative purchasing program			
Connecticut Council of Small Towns (COST)	Statewide lobbying and collaborative organization focused upon small towns with a population of less than 30,000	925	925	925
Connecticut Conference of Municipalities (CCM)	Organization that provides assistance to CT municipalities	5,689	5,689	5,689
Solid Waste Authority	An organization of municipal representatives overseeing trash disposal alternatives	1,903	1,597	
Other	Costs of attending various meetings and conferences	200	200	200
Sam Collins Day	Funds Booth at local Sam Collins Day event		500	

• Newsletter: Funds the postage, printing, folding and sealing expenses related to the production of the Canton Connection newsletter. The size of the newsletter has increases resulting in the cost increasing 2,200. The cost of the newsletter is partially off-set by \$4,500 in revenues from advertisements purchased by local businesses.

^{**} END OF REPORT - Generated by Amy OToole **

GENERAL GOVERNMENT CHIEF ADMINISTRATIVE OFFICER – 1020

EXPLANATION

The Chief Administrative Officer (CAO), appointed by the Board of Selectmen, serves as the Town's CAO and is responsible for the overall management of all Town departments. Under the provisions of the Charter, the CAO serves as Personnel Director and Purchasing Agent. As such, the CAO is charged with executing and carrying out ordinances, resolutions, policies and actions voted by the Board of Selectmen or the Town Meeting, keeping the Board of Selectmen fully advised as to the Town's general and financial condition and recommending a preliminary Annual Budget to the Board of Selectmen.

BUDGET CHANGES AND COMMENTARY

- Full Time Salary: This account pays the salary of the Executive Assistant
- Supervisor Salary: Amount represents CAO salary. CAO contract expires on July 6, 2017.
- Part Time: Includes cost of 25 hour a week CAO Clerk and cost of substitute Board of Selectmen Clerks.
- Postal Rental: Cost of renting the postage meter used by Town Hall staff.
- Mileage: Mileage includes \$2,400 mileage reimbursement for CAO pursuant to CAO's contract and reimbursement for other department personnel for use of private vehicle pursuant to IRS guidelines.
- Postage: Reflects cost of P.O. Box Permit fee and miscellaneous mailings.
- Medical Doctor: Provides funding for physicals and other testing required for new hires and mandatory drug and alcohol testing required to maintain commercial driver's licenses. Line item increased this year to fund mandatory hearing testing required by OSHA.
- Consultant: Pays for professional services including mandated DEEP storm water collection and analysis reporting, hydro licensing consultant, and engineering costs utilized by Public Works and the Land Use Department. This line item was reduced because the new Project Administrator is a licensed engineer and has been performing some application reviews for the Land Use Department.
- Office Supplies: Provides funds for the CAO, and paper for all departments.
- Postage Supplies: Amount reflects cost of various postage supplies
- Advertising: Utilized for all Town Hall job postings and bids. Reduced because less ads have been placed in the Hartford Courant which is very expensive.

PERSONNEL SUMMARY

^{**} END OF REPORT - Generated by Amy OToole **

GENERAL GOVERNMENT ELECTIONS – 1030

EXPLANATION

Pursuant to Connecticut General Statutes, the Registrar of Voters maintains records of all registered, inactive and moved electors. The Registrar of Voters also provide for (a) the maintenance and inspection of all Town voting machines; (b) holding special voter making sessions; (c) supervising the conduct of all Elections, Primaries, Special Referenda; and (d) annual mandated canvass that must be completed by May 31st of each year.

BUDGET CHANGES AND COMMENTARY

- The budget provides for one general election, one primary and one referendum. Any additional election activity outside of those listed herein, including any election audit, may require supplemental appropriations.
- Registrar Stipend: Annual stipend of \$8,000 paid to the Registrars. Do to increased election responsibilities and comparison to other Registrars the stipend has been increased \$1,000 for each Registrar.
- Deputy Registrar Stipend: Provides funding in the amount of \$3,000 per Deputy Registrar for performance of duties during fiscal year. Payment will occur on a biweekly basis in accordance with other stipends paid by Town. Increased \$500 for each Deputy Registrar upon request of the Registrars.
- Repair/Maintenance: Cost of maintaining voting machines, including maintenance agreements on 3 tabulators, Voter Checklist annual contract and one new memory card and UPS power backup system.
- Mileage: Cost of reimbursing election staff for use of private vehicle to attend seminars, training, etc.; reimbursement is at the IRS rate.
- Postage: Provides for all other postage related needs. Postage increased due to prior year's usage and an increase in the cost of postage. The line item for Canvassing has been eliminated by merging with Postage.
- Meals: Meals provided to election workers on election days.
- Meetings/ Dues: Funds for association dues, meetings and conventions. State law requires attendance at meetings to satisfy a 10 hour training requirement.

PERSONNEL SUMMARY

GENERAL GOVERNMENT PROBATE COURT - 1050

EXPLANATION

In accordance with Connecticut General Statutes, the Probate Court provides for the legal matters within its purview for Farmington Valley residents. Pursuant to recent legislation, the Probate Court was regionalized on January 1, 2011. The regional court consists of the Towns of Avon, Canton, Granby and Simsbury and is located in the Simsbury Town Hall. The fee is based on the cost of maintaining the regional Probate Court for the next fiscal year. The proportional costs are based on the population of each of the towns.

GENERAL GOVERNMENT TOWN COUNSEL – 1100

EXPLANATION

The Town Counsel, appointed by the Board of Selectmen, serves as the legal advisor to the Board, Chief Administrative Officer and all Commissions, Boards, Departments and Offices of the Town. The Town Counsel represents the Town in any action or proceeding in which the Town or any commission, Board, Department or office is a party or has an interest; and in all litigation including but not limited to appeals from the decisions of regulatory boards and commissions, suits for the enforcement of zoning regulations, foreclosures, payment of tax liens, and defense of the Town in damage suits.

BUDGET CHANGES AND COMMENTARY

- Retainer: In December 2011, the Board of Selectmen retained the services of Murtha Cullina LLP through an hourly retainer agreement to represent the town on labor and employment issues. Also in December 2011, the Board of Selectmen retained Halloran & Sage through an hourly retainer agreement for all other legal matters. The hourly rate for Murtha Cullina LLP is \$230 and the hourly rate for Halloran & Sage is \$175 for general counsel and \$185 for land use issues. It is anticipated these services will be competitively bid in November 2015.
- The budget has been divided into three categories; General, Labor and Land Use.
- Reduced based on Trend. The Police and Dispatch Union contract negotiations will begin in the spring of 2016.

GENERAL GOVERNMENT TOWN CLERK - 1110

EXPLANATION

The office of the Town Clerk operates in accordance with the Connecticut General Statutes, Town Charter and Code of Ordinances. The Office interacts with State of Connecticut departments and agencies, records documents, maintains and preserves permanent and historical records and responds to inquiries from the public. The Town Clerk, responsible for the preparation and conduct of elections in cooperation with the Registrar of Voters, also issues various licenses and permits and acts as Registrar of Vital Statistics. Town Clerk also maintains the Town's social media communications on the town web page, Facebook and Twitter and assists in communications during times of emergency.

BUDGET CHANGES AND COMMENTARY

- Supervisor Salary: Salary for Town Clerk
- Part-Time: Reflects amount paid to the Assistant Town Clerk and temporary assistance during busy periods or during vacancies by staff.
- Full Time Hourly: This line item is no longer utilized because the hours of the prior full time combined position of Assistant Town Clerk/Assessor Clerk has been reduced to just a part-time Assistant Town Clerk position.
- Copier Contract: Cost of maintenance and toner for new copier machine.
- Vital Statistics: Funds utilized to maintain vital statistics; increased due to the purchase of new binders every other year.
- Postage: Funds utilized to pay the postage for absentee ballots, return of land record documents and other miscellaneous items.
- Meetings/Dues: Includes cost of attending fall and spring Town Clerk Conferences and membership in the Hartford County Town Clerk Association, Ct. Town Clerk Association and the International Institute of Municipal Clerks.
- Cell Phone: Town Clerk also functions as the town's information officer during special and emergency events. As part of this process she frequently utilizes her cell phone when she is out of the office.
- Printing: Amount reflects the cost of election supplies including ballots and coding the election machines. Sufficient funds are budgeted to purchase ballots for 88% of eligible voters.
- Advertising: Cost of posting legal notices for town meetings, elections and conventions.
- Indexing: Reflects costs of Contractual monthly service fee (14,580); Audit fee (2,000); Dog system annual fee (200); Film storage (600); General code (1,200).

GENERAL GOVERNMENT INFORMATION TECHNOLOGIES – 1901

EXPLANATION

The Information Technologies program provides for the management, acquisition, maintenance, operation, planning for and security of information technology systems utilized by Town Departments. In 2010, the Board of Selectmen appointed the Temporary Information Technology Advisory Committee. The Committee recommended that the Town install a fiber optic line between all municipal buildings including the schools and install a new phone system. The improvements will decrease the future cost of phone service and provide high speed connectivity between buildings. Through a competitive bidding process Verizon was chosen for the improvements. The improvements will be paid for over a five (5) year period. The VOIP/WAN account has been increased to pay the lease costs. These additional costs have been off-set by corresponding reductions or elimination of phone costs in individual departments since most phone lines are being paid through the Verizon VOIP program. The Town replaces computers on a six year rotational basis.

The Town currently provides for its Information Technology services through the use of a consultant who works on average 12 hours per week and 10 hours per week provided by the Technical Support Specialist which is part of full time position that is shared with the Library. The Board of Selectmen budget includes an additional three hours for the consultant for a total of 15 hours per week.

Most Departments' technology requirements have been merged into Information Technology Department. Some specialized software, such as the Police NexGen system remains in the Department's budget.

BUDGET CHANGES AND COMMENTARY

- F/T Salary: Cost of Technical Support Specialist position which is a shared employee with the Canton Library.
- Computer Equipment Purchase: Funds expenses associated with the acquisition of hardware including computers, printers, modems and switches for all Town Departments. Computers are replaced on a six year rotational basis.
- Computer Software Support: Funds expenses associated with items necessary to support software within Town Hall including anti spam and certain licensing requirements.
- Computer Hardware Support: This line item funds long term warranties for Town servers and repair of other equipment.
- Cable/ Web: Funds expenses associated with internet connectivity, website maintenance and website development.
- Consultant: Funds IT Server consultant at \$70 per hour for 15 hours per week.
- VOIP/WAN Funds the cost of the five year lease payments for the Verizon fiber optic / VOIP phone program. This is partially offset by reductions in phone costs in individual departments.

TOWN OF CANTON

FINAL PROPOSED FISCAL YEAR 2015-2016 BUDGET

FINANCE

2060	Assessment
2070	Board of Assessment Appeals
2080	Tax Collector
2090	Finance Officer

FINANCE ASSESSMENT – 2060

EXPLANATION

The primary duty of the Assessor is to determine the value of all taxable and tax exempt Real Estate and Personal Property for the purpose of equitable tax distribution throughout the Town of Canton. The Grand List consists of real estate parcels, commercial personal property accounts and taxable motor vehicles. Real Estate property is assessed at 70% of a base year of value established on the October 1, 2013 revaluation. Commercial Personal Property and Motor Vehicles are assessed at 70% annually. The office is also responsible for assisting special service programs by annually updating elderly, blind, special assessment adjustments for veterans and disabled exemptions for Canton taxpayers. The Town of Canton receives the services of Assessor through an Assessment Services Agreement with the Town of Avon. The cost of revaluation required by statute every five (5) years is located in the Board of Finance budget. The Board of Assessment Appeals budget section has been combined with the Assessment Department. During the current fiscal year the Assessment Department changed its computer-assisted mass appraisal (CAMA) software to Quality Data Services (QDS) to be more compatible with the QDS software utilized by the Tax Collector.

BUDGET CHANGES AND COMMENTARY

- Part-Time hourly: Funds used to compensate meeting clerks for the Board of Assessment Appeals meetings.
- Full -Time Hourly: Cost of compensating the Assessment Technician. This has been reduced because the Assessment Clerk position has been eliminated.
- Mileage: Based on IRS rate. Amount was increased based on trend.
- Software Support: Reflects costs of web hosting, CAMA Maintenance and Data Conversion. Line item increased because of the additional
 cost of the QDS software.
- Postage: Reduced based on trend.
- Consultant: Costs reflects the contract with Town of Avon for assessment services including Town Assessor and Assessment staff. The consultant costs increased 2.5%. The reduction is a result of the cost of storing data on Avon's servers (\$1,800) has been eliminated since this will no longer be necessary under the new QDS software conversion.
- Office Supplies: Includes cost of special paper for street cards and general office supplies. Reduced based on trend.
- Mapping: Cost of producing the Assessor's maps and updating the GIS maps. The cost of the GIS program is funded through the Assessor Department and the Land Use Department. The Assessor funds the cost of updates to the GIS maps and the Land Use Department funds the cost of hosting the GIS system on a third party website which makes it more "user friendly" and available to the public.

Position(s)	<u>Salary</u>	14-15 Authorized	15-16 Requested	15-16 Proposed	15-16 Approved
Assessor (Independent Contractor – PT (a)	55,484				
Assessment Technician	47,687	1	1	1	1
Assessment Clerk (PT-10 hrs) (b)		.29	0	0	0

- (a) The amount listed does not represent a salary; it does represent the amount of payment made for professional services rendered by an independent contractor.
- (b) Position was eliminated during the 2014/2015 fiscal year.

FINANCE TAX COLLECTOR - 2080

EXPLANATION

The office of the Tax Collector operates in accordance with the Connecticut General Statutes (§12-130 et seq.) to collect, process and deposit property taxes. This office is the central repository of revenue for all Town Departments and is also responsible for the collection of parking violation fines and other assessments. The Collector must enforce payment of delinquent taxes as required by Connecticut General Statutes, using recommended collection methods. The office maintains accurate collection records and controls, secures the maximum collection of revenue due the Town and safeguards the collected revenues.

BUDGET CHANGES AND COMMENTARY

- Supervisor Salary: Salary for Tax Collector.
- Part-Time: 16 hours a week Tax Clerk position. There are additional hours for covering while the Tax Collector is on vacation, etc. and during
 tax payment periods in July and January. The amount has been reduced based on actual usage. The line item will also compensate
 temporary assistance in the absence of the Tax Clerk.
- Collection Services: Cost of DMV software which allows the Tax Collector to research DMV databases to locate delinquent taxpayers. The cost is approximately \$6 per hour of utilization.
- State Fees: The state used to charge municipalities for Delinquent Motor Vehicle Tax Collection service from the Connecticut Department of Motor Vehicles. According to the Tax Collector this will no longer be charged to the municipalities.
- Mileage: Reimbursement for use of personal vehicle pursuant to IRS regulations.
- Postage: Funds utilized to mail tax bills and delinquent notices.
- Meetings/Dues: Amount reflects membership costs in regional Tax Collector Associations, seminars and tuition reimbursement for the Tax Collector. Amount reduced based on trend.
- Business Forms: Funds utilized to print, fold and process tax bills. Amount reduced based on prior usage. Efficiencies in how bills are printed has resulted in this line item being decreased.
- Advertising: Cost of statutorily required legal ads.
- Computer Supplies: Cost of toner for printer.

Position(s)	<u>Salary</u>	14-15 Authorized	15-16 Requested	15-16 Proposed	15-16 Approved
Tax Collector (a)	58,701	1	1	1	1
Assistant Clerk (b)	22,199	.4	.48	.48	.48

- (a) 90% is derived from Tax (52,831); 10% is derived from WPCA (5,870); amount indicated is 100%
- (b) The WPCA covers 10% of the Assistant Clerk position (2,220).

FINANCE FINANCE OFFICER / TREASURER - 2090

EXPLANATION

Under the policy direction of the Board of Finance and administrative supervision of the Chief Administrative Officer, the Finance Officer/
Treasurer has the responsibility of administering the Town's finances and accounting for all Town funds. The Finance Officer oversees aspects
of the Town's Employee Benefits program and the Town's investments, and is involved in Revenue and Cash Management and Debt
Management. The Finance Officer also helps develop and administer the Town's Budget.

BUDGET CHANGES AND COMMENTARY

- Supervisor Salary: Compensation for the Finance Officer/Treasurer.
- Full-Time Salary: This line item funds the Accountant position. The Accountant position is shared 50/50 with the Board of Education.
- Part-Time Salary: This line item funds the part-time Accounting Clerk position that assists the Accountant with the Accountant's clerical responsibilities and the Finance Clerk that performs payroll functions.
- Full-Time Hourly: Represents wages for the Financial Assistant Position.
- Overtime: Additional hours are necessary to meet the demands of year-end closing, audit and processing of W-2s. Amount reduced because the current Financial Assistant is utilizing less over-time.
- Computer Software: Annual cost of the maintenance agreement for the MUNIS Financial software and Quality Data Tax Department software; amount represents a 4.1% increase for this year.
- Copier Contract: The budgeted amount is for maintenance of the copier machine.
- Mileage: Reimbursement for use of personal vehicle pursuant to IRS regulations.
- Postage: Cost of mailing notices and bills in addition to bulk mail permit. Increased based on current usage.
- Meetings/Dues: This includes training costs, CPA licensing, conferences and membership dues for the Government Finance Officers Association.

TOWN OF CANTON

FINAL PROPOSED FISCAL YEAR 2015-2016 BUDGET

PUBLIC SAFETY

3170	Police Department – Administration
3171	Police Department – Patrol
3172	Police Department – Detective
3173	Police Department – Communications/ Dispatch
3174	Police Department – Vehicle Maintenance
3175	Police Department – Animal Control
3179	Police Department - Facilities
4157	Service Incentive
4158	Fire Services
4162	Emergency Services
4440	Fire Marshall

PUBLIC SAFETY PD – ADMINISTRATION - 3170

EXPLANATION

Under the policy direction of the Board of Selectmen and administrative direction of the Chief Administrative Officer, the Canton Police Department is responsible for the protection and welfare of its citizens; the protection of property; the prevention, deterrence and investigation of crime and criminal behavior; the apprehension and successful prosecution of offenders; the investigation of motor vehicle accidents; violations of motor vehicle law and the issuance of Motor Vehicle Infractions and Summons; the investigation of juvenile matters and referrals to juvenile authority when necessary.

The Police Administration, under the supervision and direction of the Chief of Police, is responsible for proper officer scheduling; purchasing office equipment and consumables; vehicles, weapons, clothing and the maintenance thereof; mandated training of department personnel as required by law; applying for and overseeing various Federal and State grants; and establishing and maintaining various programs that are necessary for department operations.

During fiscal year 2014/2015 the Police Chief was appointed as the Emergency management Director. He received an additional \$12,000 compensation for taking on these additional responsibilities.

BUDGET CHANGES AND COMMENTARY

- Full-Time: Salary for Chief and Captain. The Chief salary was increased \$12,000 when he was appointed as the Emergency Management Director.
- Part-Time: Reflects general wage increase for Crossing Guard (2 hours per day, 180 days per year).
- Over-Time: Additional hours to be utilized by the Police Chief's Administrative Assistant.
- Computer Software: This amount has been transferred to the IT Department.
- Office Maintenance: Funds the repair and maintenance of office equipment along with the maintenance agreement for the automated finger print identification system "AFIS" (\$2,850) and a paper shredding service (\$240).
- Software Support: NexGen Service Agreement (\$14,000).
- Copier Contract: Funds a new leased copier which provides a multi-purpose function which eliminates the need for other individual printers.
- Cell Phones: Provides funding for cell phones for both the Chief and Captain; \$40 each per month.
- Regional Program: Provides funding for various regional special services units including Emergency Services, Hostage Negotiations and Accident Reconstruction.
- Uniforms: Provides new uniforms (\$1,000) and cleaning (\$1,016) for Chief and Captain. Also includes \$200 for equipment replacement.
- Medical Doctor: Funds for medical evaluations pertaining to additional patrol officers.
- Meetings/Dues: Costs associated with memberships to regional and national police organizations. Increased because the Capital Region Police Chief's Association dues now includes training assessment charges (\$1,500) and RAFS charges (\$500) that were previously billed separately.
- Training: The Chief and Captain receive the required certification training and additional training through the Connecticut Police Chiefs Association (CPCA). Costs are associated with training, seminars, classes and conferences for the administration are covered in this line item. This line was increased based on prior and current year actual costs.
- Vehicle Lease: This account is not funded because the last payment for the leased police vehicle was July 2014.
- Expense Department: Provides funding for blanket cleaning, prisoner meals, community relations; and parking stakes/signs.
- Leased Equipment: Cost of leasing the Voice Recorder (\$6,684) and copier Machine (\$2,208).

PUBLIC SAFETY PD – PATROL - 3171

EXPLANATION

The Patrol Division is authorized to have four (4) Sergeants and eight (8) Patrol Officers who provide basic patrol coverage 24 hours a day, seven (7) days a week. The cost of regular time and overtime is included in the budget and is calculated from planned staffing and anticipated off-line time.

BUDGET CHANGES AND COMMENTARY

- Full-Time AFSCME: Based on current Union contract which will was recently renegotiated. The basic increase effective on July 1, 2015 will be 3.0%. There are also step increases on the anniversary (hiring date) of Officers.
- Holiday Benefits: Provides for funding of holiday pay to all officers for 13 holidays pursuant to the terms of officer's union contract.
- Overtime: Provides funding for follow-up investigations, continuing investigations past regularly scheduled shifts, regional team member call outs, serious crime investigations, minimum staffing and ensuring, when appropriate, a Sergeant on duty. This amount is reduced based on trend.
- Education Incentive: Provides payments to officers based on college credits and degrees as required by the officer's union contract.
- Department Maintenance: Funds items such as radar certification, AED batteries, cones, parking signs, etc. This line tem was increased for the purchase of body cameras (\$4,000).
- Uniforms: Provides uniform allowance (500 per 12 officers) and cleaning allowance (508 per 12 officers).
- Weapons/Ammunition: Reflects costs associated with training ammunition, duty ammunition, shotgun ammunition, less than lethal ammunition, taser cartridges, rifle ammunition and supplies. Amount increased to purchase new generation tasers.
- Training: Funds to maintain and enhance Police Officer training and maintain certification. Increased because of increased fees for POST training.
- Education: Contract requires payment for tuition (75%) for undergraduate degree provided proof of payment and successful completion of course with grade "C" or better. Maximum annual tuition reimbursement per officer is capped at \$4,000. Decreased due to anticipated less usage.

PUBLIC SAFETY PD – DETECTIVE / INVESTIGATIONS - 3172

EXPLANATION

The Detective Unit, which consists of one (1) Detective, provides for original and follow-up investigation of all major crimes and complex crimes that require prolonged investigation or special training and expertise.

BUDGET CHANGES AND COMMENTARY

- Full-Time AFSCME: Detective is in the Police Bargaining Unit and will receive a 3.0% general wage increase on July 1, 2015.
- Holiday Benefits: Reflects funding for contractual holidays.
- Overtime: Projected overtime associated with major incidents; follow up investigations, continuing investigations beyond normally scheduled shifts and crime investigations. Increased due to the amount of investigations and the active nature of the current Detective.
- Crime Lab Processing: Provides funding for supplies needed based on crime type, investigations and equipment needed or used throughout the year. Decreased due to trend.
- Cell Phone: Cost of providing the detective with a cell phone.
- Uniforms: Provides funding for uniform allowance (\$500) and cleaning (\$508) for Detective.
- Training: Provides funding for additional training for Detective related to crime scene processing, computer forensics, evidence handling and similar matters.

PUBLIC SAFETY PD – DISPATCH / COMMUNICATIONS - 3173

EXPLANATION

The Communications Division, which is supported by four (4) full-time and various part-time Dispatchers, provides for the operation of the Public Safety Communications System serving Fire, Police and Emergency Medical Operations 24 hours a day, seven days a week.

BUDGET CHANGES AND COMMENTARY

- Part-Time: Provides funding for vacancies by full-time Dispatchers due to vacation, sick or injury leave, personal days, holidays, union activity leave, funeral days and earned days to be filled by part-time Dispatchers.
- Full-Time CILU: The negotiated wage increase for July 1, 2015 is 2.75%. There are also step increases that are included as part of the increase.
- Holiday Benefits: Dispatchers are contractually provided thirteen (13) holidays. In the event the holiday falls on a regularly scheduled work day, Dispatchers are provided a premium.
- Overtime: Provides funding for overtime when there are vacancies or additional Dispatchers are needed.
- Radio Maintenance: Provides funding for radio maintenance contract (3,516), radio repairs (3,000); tower rental contract (9,539) and uninterruptible power system (3,560).
- Collect System: Provides funding association with State COLLECT database.
- Uniforms: Provides funding for contractual uniform requirements. Increase due to new contract which specifies that the town shall pay to have uniforms cleaned.
- Training: Provides for additional Dispatcher training that may consist of various matters.

PUBLIC SAFETY PD – VEHICLE MAINTENANCE - 3174

EXPLANATION

This program provides for the operation and maintenance of vehicles assigned to the Police Department.

BUDGET CHANGES AND COMMENTARY

- Tires: Provides funding for the acquisition of summer, winter and all terrain tires under the State contract.
- Vehicle Fuel: Provides funding for vehicle fuel purchased through a cooperative bid sponsored by CRCOG. The lock in rate for next year is \$1.86 per gallon.
- Vehicle Maintenance: Provides for routine maintenance of (2) Ford Crown Vics, (2) Chevy Tahoes, (2) Ford Police Interceptors (2) administrative vehicles for use by the Chief and Captain (Chevy Impala and Ford Taurus), (1) Chevy Impala (Detective Vehicle), one (1) Ford Explorer for a total of ten (10) vehicles. Funding is also provided for emergency light/siren repairs.

PUBLIC SAFETY PD – FACILITIES MAINTENANCE/GROUNDS - 3179

EXPLANATION

This program provides for the operation and maintenance of the Police Department facility.

BUDGET CHANGES AND COMMENTARY

- Repairs Maintenance: There were no requests for significant maintenance projects this year.
- Maintenance/Cleaning: Provides funding for fire/building alarm and monitoring system, fire sprinkler inspection, generator maintenance, maintenance supplies and cleaning supplies. As opposed to the Repairs Maintenance line item this line item has mostly cleaning and contracted services.
- Heating/Cooling Repairs: Provides funding for repairs not covered under contract.
- HVAC Maintenance Contract: Cost of heating and cooling contract.
- Telephone: Phones are now paid through the VIOP phone system in IT or analog phones are paid through the Town Hall phone account.
- Cable: Reflects costs associated with basic cable television service. Portion of the cable bill is paid by the Dispatch Union.
- Fuel/Heat: Provides for heating needs of facility (natural gas) and generator fuel.
- Water: Provides for water needs associated with facility.
- Sewer: Cost of sewage use at the facility.

PUBLIC SAFETY PD – Animal Control- 3175

EXPLANATION

The Animal Control Officer is responsible for responding to citizen complaints regarding dogs. The Animal Control Officer is also responsible for making sure residents abide by licensing requirements for their dogs.

The Animal Control Officer previously was a shared service with the Town of Avon. During the fiscal year 2014/2015 the Animal Control Officer was hired as a part-time employee for the Town of Canton. The costs associated with the Animal Control Officer van and animal shelter are still shared with Avon through a regional sharing agreement. Some of the expenses are funded through revenues raised by license fees collected by the Town Clerk.

BUDGET CHANGES AND COMMENTARY

- Part-Time: Represents compensation paid to the part-time (9 hours per week) Animal Control Officer.
- Pound Maintenance: Dogs picked up in Canton are housed in Avon. This represents Canton's share of maintaining Avon's facility.
- Pound Support: Cost of dog food and other supplies.
- Meeting Dues: Cost of training and association memberships for the Animal Control Officer.
- Advertising: Cost of advertising abandoned or lost dogs.
- License State of CT
- Department Expense: This line item was eliminated.

PUBLIC SAFETY FIRE SERVICES INCENTIVE - 4157

EXPLANATION

This program accounts for the Fire Service Incentive program which provides retirement benefits to volunteer firefighters. The original plan, established in 1990 as a defined benefit plan, provided \$10 per month in retirement benefits for each year of credited service to a maximum of 35 years of service or an actuarially determined lump sum distribution at normal retirement age (65). The program was amended in 2000 in order to provide a survivorship benefit to a spouse of a volunteer who dies between age 55 and retirement age.

For each volunteer who joined the Department on or after July 1, 1994, the Town contributes \$400 for each year of credited service. As with the Defined Benefit Plan, credited service is awarded by reaching minimum levels of training drills and actual calls for service and by participating in administrative duties or civic projects sponsored by the Fire Department/ EMS Service.

In December 2007, the Board of Selectmen created a Temporary Study Committee for the purpose of reviewing and recommending action items for the recruitment and retention of volunteers within the Fire/ EMS Service. The Committee rendered a report to the Board of Selectmen in January 2009. The report included recommendations for tax abatements, pay per call and stipends for Fire/ EMS Officers as additional incentives. As part of the agreement to increase incentives for the Fire/EMS personnel, the Board of Selectmen closed the Pension Plan to new personnel effective July 1, 2009.

PUBLIC SAFETY FIRE DEPARTMENT - 4158

EXPLANATION

This program provides for the overall administration of the Canton Volunteer Fire Department which encompasses the following services: Firefighting, Fire Prevention, Fire Training, Maintenance, operation and improvement of all Fire Department physical plants including those not owned by the Town (North Canton, Canton Springs Road), Public information and Community Relations programs and controlling and handling hazardous material incidents and training.

BUDGET CHANGES AND COMMENTARY

- Stipends: Stipends are incentives given to certain fire department officials for volunteering their time. An additional stipend for the Fire Police
 Lieutenant was added during the 2014/2015 fiscal year. The Board of Selectmen approved an additional \$5,000 stipend for the Fire Chief. The
 stipend will become effective upon the appointment of the next Fire Chief on 1/1/16. A chart listing the incentives and positions is located
 below.
- Pay per Call: A total of \$23,400 has been budgeted in the 2015/2016 budgeted for pay per call incentives. The same incentives are included in the EMS budget for emergency medical volunteers.
- Full-time Hourly: An existing Town Hall clerical position that has been providing four (4) hours of support to the Fire Department. The support is provided by the Building Clerk which is available as a result of a slow down in building activity. If residential and commercial construction activity increases, this support may not be available. On average the clerical staff has assisted the Fire Department with more hours than are represented in this budget.
- Equipment Purchase: Funds most the equipment used by the department including power tools, portable power, rescue jacks, portable radios, chainsaws, fire police gear and turnout gear. Significant items anticipated to be purchased is turnout gear (\$18,000) RIT Equipment (\$5,000) Portable Radios (\$3,200) Pagers (\$2,400) and Positive Pressure Ventilation Fans (\$4,000).
- Computer Purchase: Funds utilized to purchase computers for the department. Last year's line item had additional funding for IPads that were purchased this year. Current funding is for one computer.
- Service Awards: Funding to support costs of Service Awards within Fire/EMS.
- Tires: Line item increased as a result tires needed to be replaced on a larger apparatus.
- Vehicle Maintenance: Funds preventative maintenance and repairs to the Fire Department fleet. Although several new trucks have been purchased recently, which presumably would need less maintenance, the line item was still increased based on current and past usage.
- Radio Maintenance: Cost of maintaining and repairing existing radios.
- Equipment Maintenance: Funds utilized to maintain and repair small motors/equipment not mounted on trucks.
- Maintenance/Cleaning: Cost of cleaning the Fire Stations including a cleaning contract for Collinsville Station and the North Canton Fire Station along with trash pickup service, generator maintenance, HVAC maintenance and general cleaning supplies.
- Light/Power: Amount reduced based on current usage.
- Software Support: This line item used to fund ¼ of the cost to maintain the web-based fire house software (550) but that cost is now completely in the Fire Marshal Department. This line item now funds the Active 911 software which alerts volunteers when there is an emergency event. This used to be in the telephone line item.
- Telephone: Cost of phone service for all three stations. Telephone costs remained in the Fire Department budget because the North Canton and Spring Street Stations are not part of the Verizon VOIP phone system and there remains one fax/back up line remains at the Collinsville Station.

- Cell Phone: The Chief is the only individual supplied with a cell phone. The remaining costs are for "ho spot" cellular devices which are on most Fire Department apparatuses. There are a total of 9 devices at \$36.00 per month for each device at an annual cost of \$3,888.
- Cable/Web: Cost for cable/internet service utilized by the fire house computer system.
- Fuel/Heat: The cost of heating three Fire Stations has steadily increased over the past several years. This has occurred despite the installation of a high efficiency boiler at the Collinsville Fire Station. The increase in this line item is a result of that trend.
- Physicals: Provides cost of providing NFPA/OSHA required physicals.
- Meetings/ Dues: Funds membership to various professional groups and cost to attend meetings.
- Recruitment: Funds costs to produce handouts, purchase ad space and provide events to attract new recruits.
- Training/Education: Training for new members and maintenance of NFPA and OSHA training requirements; specialized rope/rescue classes and hazard material classes.
- BSA: Provides cost of Boy Scouts Cadet program.
- NFPA Compliance: Funds hose testing, ladder testing, SCBA testing, extinguisher hydro test, meter calibration and other testing.
- Consumables: Reflects cost for such items as hazard material foam for oil, speedi dry and bottled water. Reduced based on trend.
- Retention: Reflects amount paid to support awards dinner and various supplies in support of volunteers. Reduced based on trend.

PERSONNEL SUMMARY - STIPENDS

Position(s)	Stipend	14-15 Authorized	15-16 Requested	15-16 Proposed	15-16 Approved
Fire/ EMS Chief (a)	5,000	5,000	5,000	5,000	10,000

PUBLIC SAFETY EMERGENCY SERVICES - 4162

EXPLANATION

This program provides for expenses related to the provision of emergency services to the Town of Canton in the following manner:

- EMS Deficit: Over the past several years, the Emergency Medical Services fund has operated at a loss which has required supplemental funding from the General Fund. There is a projected deficit in the 2015/2016 fiscal year of \$42,691.
- Paramedics (University of Connecticut Health Center Paramedic Services): Through a contractual agreement with UConn Health Center, the Town of Canton receives paramedic services which are also provided to the Towns of Avon and Farmington. UCONN Health Center is also compensated for paramedic services by direct billing the patient and receiving reimbursement from Medicaid/Medicare patients. The amount in the budget is estimated because the Town has not received a contract for next year.
- C MED (North Central Connecticut Emergency Medical Services Council, Inc.): Provides Emergency Medical Dispatch service to the Town of Canton. All callers into Canton dispatch who request emergency medical services are transferred to CMED for purposes of receiving instruction from certified Emergency Medical Dispatchers. The total cost of the service is based upon a per capita rate of \$1.95 plus 2% annual increase. In addition, CMED receives a State of Connecticut subsidy of .30 for each community that acknowledges North Central CMED as its service provider.

SPECIAL REVENUE FUNDS EMERGENCY SERVICES – 3704162

EXPLANATION

Emergency Medical Services or EMS is part of the Canton Fire Department and is housed in the Collinsville Fire Station. Most of the expenses associated with emergency medical services are paid from a special revenue account. Special Revenue Funds are used to account for the proceeds of special revenue sources that are legally restricted to expenditures for specific purposes. The **Emergency Medical Services Fund** accounts for all user fees collected and expenditures needed to operate the Town's emergency medical services program (ambulance). There is an anticipated deficit in the 2015/2016 Emergency Services Fund which will require a transfer of \$43,391 from the general fund to cover the deficit.

The Board of Selectmen is currently reviewing the possibility of having the Department upgraded to a paramedic level service. Any costs associated with that upgrade are not currently in the budget. Any costs, including capital equipment costs would have to be funded at the time the decision is made to upgrade.

- Funds paid to EMS Officers for volunteering their services: Assistant Chief (\$2,000); Deputy Chief (\$1,000); Captain (\$500); Engineer (\$150); and (\$2,000) of the Chief's stipend.
- Financial Services: Funds cost of services performed by the Town's Finance Department on behalf of the Emergency Medical Services function.
- Pay Per Call: An incentive for volunteers who attend training and meetings, volunteer to cover shifts or go on calls. Each EMS volunteer will receive \$5 for every 12 hour shift, call or meeting the volunteer attends or responds to.
- Insurance: Funds costs associated with property/casualty insurance for the service.
- Fringe Benefit: Provides funding for service incentive costs related to the defined benefit and defined contribution pension plans.
- Equipment Purchase: Funds the purchase of jackets; pants; jumpsuits; portable radios; Lifepack auto defib units, etc.
- Computer Equipment: The line item was decreased because the Department will look to utilize tablets such as IPads instead of the significantly more expensive tough books.
- Billing Services: Funds costs to collect and bill insurance companies through a third party vendor
- C-MED: Funds operation of ambulance to hospital and ambulance to ambulance communications network.
- Vehicle Fuel: Cost of providing fuel for the ambulances.
- Vehicle Maintenance: Provides for preventative maintenance and repairs of mechanical failures. Line item increased due to costs of repairing the 2008 ambulance.
- Equipment Maintenance: Maintains equipment on ambulances such as suction units, batteries for pulse ox, monitors, defib units.
- Maintenance Cleaning: Provides for contracted services such as generator service and garbage pickup along with custodial service for the Collinsville Fire Station and bio waste. Line item was increased because the Department has routinely over spent this line item.
- Light/Power: Provides funding for the cost of electricity.
- Software Support: Funds costs associated with MUNIS and EMS Charts. Line item reduced because Firehouse software will be funded completely from the Fire Marshal line item.
- Telephone: Provides an analog phone line for the Collinsville Station.

- Cell Phone: Funds two air cards for computers in vehicles. Amount is reduced because two cell phones have been eliminated.
- First Aid Supplies: Provides all consumable patient care supplies used by EMS, Fire and Police. Increase due to increased call volume and price of first aid supplies has increased considerably. The actual cost for 2014 was \$40,219.
- Medical Doctors: Funds costs of physicals and related health costs.
- Recruitment: Provides for pictures, ads and handouts to attract new people to service.
- Department Expense: Funds costs of staffing EMS unit Monday through Friday from 6:00 AM to 6:00 PM and holiday/weekend coverage
 when volunteers are not available. Current usage is significantly higher than what has been budgeted due to increased paid staffing on the
 weekends. The paid staffing is necessary because there are currently less volunteers with the advanced level EMT certification required to
 respond to calls.

PUBLIC SAFETY FIRE MARSHAL - 4440

EXPLANATION

In accordance with Connecticut General Statutes Chapter 541, the local Fire Marshal is required to enforce the State Fire Safety Code. The responsibilities of the Fire Marshal include the following:

- Investigate and report to the State Fire Marshal on every fire in town, listing injuries, probable cause, etc.
- Inspect all buildings and facilities of public service, manufacturing, and occupancies regulated by the Fire Safety Code at least once a year.
- Inspect manufacturing establishments on a yearly basis.
- Inspect dry cleaning establishments on a yearly basis.

- Review new building plans for compliance with the fire code.
- Inspect and approve all underground and above ground tanks as stated by Code.
- Maintain hazardous material files.
- Inspect all schools for code requirements annually.

During the 2014/2015 fiscal year the Emergency Management Director responsibilities were removed from this position and transferred to the Chief of Police. Thereafter the position was changed from full-time to part-time.

BUDGET CHANGES AND COMMENTARY

- Supervisor Salary: Compensation for Fire Marshal. The Fire Marshal position is 25 hours a week at \$32 per hour.
- Part Time: Funds Deputy Fire Marshal to be available in the absence of the Fire Marshal or on a temporary basis when needed.
- Equipment Purchase: This line item is utilized for the purchase of miscellaneous equipment. Last year's amount higher because it included
 the purchase of a tablet computer.
- Mileage: Reimburses employee at IRS rates for use of personal vehicle.
- Equipment Maintenance and Repairs: Costs reflect \$200 for equipment repair and \$150 to calibrate gas meter.
- Computer Software: Includes the cost of the FIREHOUSE software.
- Cell Phone Service: Amount of reimbursement for Fire Marshal's personal smart phone is \$60 per month.
- References/Text: Covers cost of code book subscriptions.
- Meetings/Dues: Certain dues eliminated where both the Fire Marshal and Deputy Fire Marshal were members.
- Emergency Management: This item was removed and transferred to the Police Administration Department.

PERSONNEL SUMMARY

Position(s)	<u>Salary</u>	14-15 Authorized	15-16 Requested	15-16 Proposed	15-16 Approved
Fire Marshal	43,200	1	.71	.71	.71
Deputy Fire Marshal – Per Diem PT	2,000	.06	.06	.06	.06
Clerical Assistant (a)		.3	.3	.3	.3

(a) Position provides 10 hours to Fire Marshal; budgeted salary reflects those hours. The position is shared with the Building Department and Fire Department – total salary for position is 42,413.

TOWN OF CANTON

FINAL PROPOSED FISCAL YEAR 2015-2016 BUDGET

PUBLIC WORKS

5120	Town Hall
5200	Parks
5210	General Highway
5260	Town Garage
5270	Grange
5290	Transfer Station
5470	Utilities
5550	Community Center

PUBLIC WORKS FACILITIES – TOWN HALL – 5120

EXPLANATION

The Facilities Division of the Public Works Department has the responsibility of maintaining the Police Station, Town Hall and Community Center. This portion of the budget involves the cost of maintaining Town Hall. It also includes payroll related expenses for the three facility division employees.

Pursuant to the long range goals of the Board of Selectmen, an emphasis has been placed on performing maintenance. Consistent with this goal, the Director of Public Works, Robert Martin has created a facility maintenance plan that describes every fixture and asset within general government facilities and the required maintenance and replacement plan for each item. The Facility Maintenance Plan is located in the Appendix to the Budget. In order to facilitate this plan and to perform routine maintenance, additional funds have been budgeted for facility maintenance and cleaning. Traditionally, most of the funds in the maintenance line item were for contracted services, cleaning supplies and such items as toiletries. There was very little money for significant repairs, painting or replacement of fixtures or carpeting. In most cases, if significant or unexpected work had to be accomplished the line item would be run in the negative or other routine expenses would be sacrificed. In order to address this the maintenance line is divided into two lines: Repairs/Maintenance and Maintenance/Cleaning. The cleaning line item includes the expected costs such as cleaning supplies, contracted services etc. The Repairs line item includes funds for carpet replacement, painting and unexpected repairs.

BUDGET CHANGES AND COMMENTARY

- Part-Time: Reflects cost of substitute custodial coverage during absence of the full-time Custodians.
- Full-Time: Represents the wages for the Maintenance Supervisor, Facility Maintainer/Custodian and Custodian. Pursuant to the Union Contract wages will increase 2.9% on July 1, 2015.
- Overtime: Reflects the cost of utilizing custodians outside of their normal work hours for special events or projects, covering for other employees or assisting during snow events. Overtime is partially off-set by fees paid by the groups using the auditorium.
- Repairs Maintenance: Funds used to pay for building maintenance such as painting, replacing carpets or repairs to fixtures and equipment.
- Maintenance/Cleaning: This line item includes the cost of cleaning supplies and contracted services.
- Mileage: Reimbursement for use of personal vehicle at IRS rates.
- H/C Repair: This line item pays for repairs to the Town Hall heating and cooling system not covered by the standard maintenance contract. The amount was reduced based on trend.
- H/C Contract: Cost of contractual routine periodic maintenance and inspection of the Town Hall heating and cooling systems. The contract was competitively bid along with the Canton Schools and the Town of Avon and a new vendor was selected as part of this process.
- Telephone: Cost of operating all Town Hall phones. The Town Hall phone system is inefficient in that each desk has a separate phone line as compared to a computerized or a VoiceOver IP (VOIP) system. The remaining costs will be utilized to pay for traditional phone lines that must remain such as the phones in the elevators or those used for security lines or as backup in case there is an interruption in the fiber optic lines.
- Fuel/Heat: Reflects cost to heat Town Hall and Board of Education administrative offices. Increased based on trend. Last year's actuals was \$27,000.

PUBLIC WORKS PARKS – 5200

EXPLANATION

The Parks Department is responsible for the maintenance of all Town (except the Water Pollution Control Facility) and Board of Education grounds, including athletic and recreational facilities under the supervision of the Director of Public Works and in consultation with the Director of Parks and Recreation.

The Fiscal year 2015/2016 budget proposes that the Transfer Station be open three days a week instead of the current five. A survey of similar transfer stations indicate that very few are open as many hours as Canton's. It is recommended that the two days the Transfer Station is closed the Transfer Station Area Operator be assigned to the Parks Department to assist in maintaining Town grounds. The change to the Transfer Station would take effect on January 1, 2016. A memo and survey are located in the Appendices.

BUDGET CHANGES AND COMMENTARY

- Full-Time NAGE: Wages for the full-time union employees increase is 2.9% on July 1, 2015. This includes the cost of having the Transfer Station Area Operator work 16 hours a week in the Parks Department after January 1, 2016.
- Overtime: Utilized for after hour field and pool maintenance.
- Dyer Cemetery: Cost of having a private landscaper maintain the portion of Dyer Cemetery that is owned by the Town Canton.
- Repairs/Maintenance: Reflects the cost of maintaining equipment utilized on the town's recreational fields.
- Fuel/Heat: Reflects cost of heating the Parks Department building on Simonds Avenue.
- Water: Reflects the cost of supplying water to the Parks building and Little League fields on Simonds Avenue. Water use varies significantly depending on the weather.
- Equipment Purchase: The Director of Public Works requested \$5,000 to have a contractor install a sprinkler system on the Town Green alongside Route 44. Last year DPW extended the water line to the green for this purpose. The amount requested has been reduced by \$1,000 based on the possibility of DPW assisting in the installation.
- Field Maintenance: Reflects cost of maintaining Town owned parks, greens and athletic fields, including the use of organic care on a field in the Mills Pond complex.

PUBLIC WORKS GENERAL HIGHWAY – 5210

EXPLANATION

The Department of Public Works oversees all Town infrastructures, including roads, grounds and facilities. The Highway Division is responsible for the maintenance of approximately 71 miles of improved roads, 2.54 miles of unimproved roads, catch basin cleaning and drainage maintenance.

The Project Administrator position has been transferred from the CAO's Office to the Department of Public Works. Now all infrastructure improvement is overseen by one department. It allows for better coordination of resources, personnel, equipment and finances.

The Department of Public Works consists of 15 full-time employees and two (2) part-time employees and two (2) seasonal employees. The Department is responsible for the operations of the Transfer Station and all road, facility and recreational ground maintenance. The Department has the second highest budget of any department but has only 20 hours per week of administrative assistance to perform everything from payroll, purchasing, and scheduling. As a result much of the clerical functions are performed primarily by the Director and Road Foreman. With the focus on Pavement Management and Facility Maintenance, the Department Director's time would be better spent on other matters than routine clerical functions. Therefore, the hours of the DPW Administrative Assistant are being increased from 20 hours a week to 35 hours a week.

- Full-Time Salary: Reflects wages for the Project Administrator and the Administrative Assistant.
- Supervisor Salary: Reflects salary for DPW Director.
- Full-Time: Pursuant to the recently negotiated DPW Union Contract DPW employees will receive a 2.9% increase on July 1, 2015.
- Part-Time: Reflects general wages for part-time summer employee. Decreased because Administrative Assistant has now been moved to full time.
- Overtime: Funds all overtime including snow removal. Increased based on trend. Last year's actuals were over 96,000.
- Vehicle Fuel: Reflects cost of motor vehicle fuel through CRCOG bid. Fuel costs have been locked in at \$1.86 per gallon.
- Diesel Fuel: Cost of diesel for the large plow trucks. Increased based on trend.
- Tree Services: Provides funding for private tree services when necessary to supplement Town resources.
- Snow Removal: Provides for plow blades (\$7,000) and road salt. This line item was increased significantly over the current budget because less salt had to be purchased this year because salt left over from the prior year was utilized.
- Repair and Maintenance: Cost of purchasing parts and maintaining DPW trucks and equipment.
- Town Maintenance: Funds supplies for maintenance of Town roads and buildings including signs, sign machine material, shovels, picks, hand tools, power washer supplies, light bulbs, topsoil, fertilizer, etc.
- Catch Basin Cleaning: Provides funds to have catch basins cleaned by an outside vendor. Currently the Town utilizes equipment borrowed from the Town of Burlington. The DPW Director states that utilizing the previous method of catch basin cleaning does not comply with storm water regulations.
- Sweeping: Funds are utilized to maintain and repair existing sweeper and to rent a sweeper when necessary. The sweeper is also used by other towns in exchange for services and equipment such as the above mentioned catch basin cleaning equipment.
- Street Painting: Paint stop bars and other lines on Town streets. The DPW Director has requested additional funds to have some of the painting outsourced. Also there are more lines that need painting because they have not been painted in the last year couple of years.
- Mileage: Reimburse employees for use of private vehicles at IRS rates. Transferred from CAO Dept. budget for Project Administrator.

- Road Maintenance: In the past, the primary purpose of this account was to fund road resurfacing such as chip sealing and road overlays. These funds have been now placed in the Capital Improvement Plan under Pavement Management. The remaining funds left in this line item are for costs associated with minor road repairs such as temporary patching, guardrail replacement, drainage repairs, etc.
- Cell Phone: Pay the cost of four cell phones for the Director, Road Foremen, Project Administrator and the Parks Supervisor.
- Plow Route: This account funds a private contractor to plow one of the Town's plow routes. This amount is increased based on trend. Last year's actual cost was \$38,543.
- Major Purchase: Department a jumping jack compactor and 14' enclosed trailer to store and haul road repair equipment. Due to budget limitations the compactor is not being funded but the CAO is recommending funding for the trailer. A lockable enclosed trailer allows the DPW staff to leave the trailer loaded and stored outside overnight.

PUBLIC WORKS TOWN GARAGE - 5260

EXPLANATION

Located on Old River Road, the Town Garage serves as a storage facility for the Town's highway equipment and the maintenance facility for all highway and parks equipment.

The Public Works Facility will need significant capital improvement while operations continue at the current location. The garage needs to the roof replaced because it is currently failing and leaks on items stored inside including electrical systems. The boiler needs to be replaced and currently only functions periodically. There is no emergency power supply for most of the building meaning operations during power outages occur for the most part without power. There is a crack in the wall of the older portion of the facility of such magnitude that a recent OSHA inspection report mandated that it be inspected by a Certified Engineer.

- Repair/Maintenance: Department request includes funds to repair and maintain the Town Garage facility including electrical, plumbing and hardware.
- Light/Power: Reflects impact of projected utility rates which has decreased based on trend.
- Fuel/Heat: Reflects cost associated with heating facility which was reduced based on trend.
- Uniforms: Provides funding for uniforms, shoes, safety equipment, boots and rain gear as required by contract and secured through the State Bid Process.
- Meals: The amount budgeted is required in the current DPW union contract. The funding is to reimburse DPW employees for food when they are called out for long periods of time.
- Water: Provides funding for water through the Connecticut Water Company for building and outside faucets. Amount is decreased because a new filtration system has eliminated the requirement for bottled water.
- Sewer Use: Reflects current rate.

PUBLIC WORKS UTILITIES – 5470

EXPLANATION

This program provides funding for costs associated with street lights and fire hydrants throughout the community.

- Lighting/Power: Reflects projected impact of rates for street lights.
- Water: Reflects costs associated with Town owned hydrants serviced by Connecticut Water Company. The rate increase is based on additional piping that the town has to pay a yearly fee for and a general increase in rates.

SPECIAL REVENUE FUNDS

TRANSFER STATION – 1300290

EXPLANATION

The Public Works Department is responsible for the operation and maintenance of the Transfer Station. Responsibilities of the station include chipping brush, keeping the facility clean, assisting and instructing residents in the proper disposal of household waste and recyclable materials, and checking identification stickers to ensure that only authorized permit holders use the facility.

The Board of Selectmen appointed a Temporary Study Committee to review operational and fee changes at the Transfer Station to reduce the deficit at which it is currently running. In 2010, the Board of Selectmen raised the cost of a Transfer Station pass making the Transfer Station self-supporting. Consistent with a self-supporting municipal operation, the Board of Selectmen with the concurrence of the Board of Finance, approved making the Transfer Station operations a special revenue fund similar to WPCA or Emergency Medical Services. Now the revenues stay in a separate fund to pay for Transfer Station operating expenses. If there are not enough revenues a transfer would be required from the operating budget to fund the deficit.

The Fiscal year 2015/2016 budget proposes that the Transfer Station be open three days a week instead of the current five. A survey of similar transfer stations indicate that very few are open as many hours as Canton's. It is recommended that the two days the Transfer Station is closed the Transfer Station Area Operator be assigned to the Parks Department to assist in maintaining Town grounds. The change to the Transfer Station would take effect on January 1, 2016. A memo and survey are located in the Appendices.

BUDGET CHANGES AND COMMENTARY

- Part Time: Reflects cost of one part time employee.
- Full Time: Amount reflects current wages for the full time Union employee.
- Repairs and Maintenance: Cost of routine maintenance and small projects.
- Light/Power: Reflects amount based on current trend.
- Water: Provides for drinking water for attendants at Transfer Station facility.
- Office Supplies: Includes cost of purchasing stickers for Transfer Station users.
- Meetings and Dues: Includes cost of membership to the Solid Waste Authority.
- CIP: Funds transferred to the Capital Improvement Plan (CIP) Account to fund capital projects which are document in the CIP.
- Credit Card Fees: Cost of processing credit card charges at the Transfer Station.
- Hauling Fees: Cost of hauling municipal solid waste from the Transfer Station. Amount reduced based on trend.
- Tipping Fee: Cost of disposing municipal solid waste at CRRA. After a regionally initiated competitive bidding process, a long term contract was signed with CRRA. Amount reduced based on trend.

PUBLIC WORKS FACILITIES – COMMUNITY CENTER – 5550

EXPLANATION

The Community Center program contains those items required to maintain the Community Center. Converted from a former school facility, the building houses the Community Center, Library Operations, Parks and Recreation Administrative Office and programming space along with Social Services and Senior Center operations. The cost of maintaining and operating the Community Center is contained in this department.

Pursuant to the long range goals of the Board of Selectmen, an emphasis has been placed on performing maintenance. Consistent with this goal, the Director of Public Works, Robert Martin has created a Building Maintenance Plan that describes every fixture and asset within general government facilities and the required maintenance and replacement plan for each item. The Building Maintenance Plan is located in the Appendix to the Budget. Significant improvements have been made to the Community Center, including painting, carpet replacements and technology improvements.

- Repairs and Maintenance: Funds utilized for building maintenance such as painting and major repairs. This line item was increased because there is less funds in the CIP Community Center Improvement fund to pay for major improvements.
- Maintenance/Cleaning: Funds the purchase of cleaning supplies, maintenance contracts and certain professional services, including security alarm system, generator service contract, fire alarm and trash pickup. Amount reduced to reflect actual supply and service contract amounts.
- H/C Repair: Funds used to repair the HVAC system not covered by maintenance contract.
- H/C Contract: Contract for heating and cooling periodic maintenance and inspections. The service was competitively bid with the schools and the Town of Avon resulting in a new vendor being chosen.
- Lighting/Power: Reflects projected costs of utilities.
- Elevator Contract: Cost of having a third party maintain and inspect the elevator.
- Fuel/Heat: Reflects natural gas costs to heat.
- Water: Reflects anticipated rates.
- Sewer Use: Reflects billing based upon meter as opposed to fixed flat rate.

PUBLIC WORKS Grange – 5270

EXPLANATION

The Cherry Brook Grange was gifted to the Town of Canton in 2013. A budget has been established to fund utilities and maintenance for the building. The amount budgeted will only fund the most basic maintenance needs. Any significant improvements will need to be completed with donated manpower and/or funds or be additionally budgeted. Over the past fiscal year a new well was installed, a new septic tank and asbestos was removed from the ground floor. It is hoped a new roof will be installed this spring. Most of these improvements were completed through donations.

- Repair/Maintenance: Funds necessary to perform minor maintenance to the Grange including electrical, plumbing and hardware.
- · Light/Power: Reflects cost of utility usage.
- Fuel/Heat: Reflects cost associated with heating the facility. This amount will need to be increased if the building is to be occupied during winter months.
- Telephone: Cost of maintaining one phone line at the grange.

2100045	Parks and Recreation – Special Revenue Fund
0320	Library

COMMUNITY SERVICES

Community Agencies - 6340

EXPLANATION

These are Town agencies, community groups and regional agencies that receive funding from the Town.

- Youth Service Bureau For the provision of youth services, including prevention activities, positive youth development and
 counseling for troubled youth. The Bureau also oversees the youth center known as the "Cave". The Recreation Program
 Specialist position is located within this line item.
- Memorial Day Funds for flags and markers for cemeteries.
- Health District Through its membership in the Farmington Valley Health District (FVHD), the Town provides for the services and
 programs associated with a Public Health Department which include, but are not limited to the following: subdivision reviews, soil
 testing, engineer plan reviews, septic systems, wells, licensing and inspecting of food establishments, public pool inspections and
 permitting, daycare inspections and permitting.
- Farmington Valley Visiting Nurses Association VNA Through its association with the Farmington Valley Visiting Nurses Association (FVVNA), the Town provides for continued delivery of a comprehensive home and community health and illness prevention program. The annual allocation allows the VNA to provide health supervision home visits by a registered nurse, physical therapist or medial social worker, reduced and part pay home care services for individuals with financial hardship and a variety of illness prevention/clinic services based up requested services and needs identified.
- CT Main Street Funds membership in the Connecticut Main Street Organization.
- North Central Regional Mental Health Board A non-profit regional board that monitors and provides for local mental health services.
- Roaring Brook Nature Center Donation to local non-profit nature center.
- Farmington River Watershed A advocacy group that supports the Farmington River.
- Canton Historical Museum A Local museum located in Collinsville.
- Interval House Provides services to victims of domestic violence.
- Sam Collins Day Provides cost of renting a Town booth at the Sam Collins Day event.

COMMUNITY SERVICES SENIOR/SOCIAL SERVICES – 6380

EXPLANATION

The Senior/Social Services Department provides comprehensive services and programs to the Town's senior population in order to promote physical, emotional, social and intellectual well-being for this group of Canton citizens. Activities focus on public health and wellness, education, transportation, socialization, recreational and volunteer opportunities. The Senior Services Department acts as an important information and referral source for both the Town's seniors and their families.

In addition, external services are brought in, provided and coordinated on-site for easy accessibility by seniors: notably in the areas of health (flu shot clinics, foot care clinic, skin and hearing screenings, BP monitoring and nutrition counseling), education (presentations and classes including cooking, computer skills and safe driving), and social services (such as tax filing, Medicare prescription drug plan screening and counseling, bereavement support group, housing opportunity information and medical transportation coordination and scheduling).

The Senior/Social Services Coordinator also provides for the social service needs for the Canton community. Services provided include: crisis intervention, outreach, information and referral, coordination of state and federal energy assistance programs and coordination of state elderly renters/homeowner's tax relief program. The Senior/Social Services Department has utilized volunteers and interns to help meet the demands of the office.

BUDGET CHANGES AND COMMENTARY

- Supervisor Salary: Salary for the Senior/Social Services Director.
- Part-Time: Reflects the salary for the part-time Administrative Assistant and the part-time Senior Center Coordinator.
- Dial-A-Ride: Cost covers personnel, maintenance of bus, insurance and all aspects of operation. The Dial-A-Ride service provides transportation to seniors and disabled Canton residents on a consistent, regular basis. The program is subsidized by a state grant. The current Dial-A-Ride service provider was selected through a competitive bid process that occurred in 2014. There was a request by the Director to expand Dial-A-Ride service. This was not recommended by the Chief Administrative Officer because of budget limitations.
- Postage: Postage for Senior Scribe and miscellaneous mailings.
- Meals: Reflects cost of meals provided twice a week by the Community Renewal Team (CRT).
- Meetings/Dues: Cost of membership in professional organizations and seminars.
- Printing: Primarily funds the cost of printing the senior newsletter. Reduced based on trend.
- Office Supplies: Cost of general office supplies. Reduced because cost of utilizing a third party vendor for printing was less than anticipated.
- · Senior Activities: Funds utilized for senior activities.
- Meals on Wheels: Program that delivers meals to Canton residents.
- General Assistance: Provides short-term financial assistance when other programs are not available (\$3,500).

COMMUNITY SERVICES PARKS AND RECREATION – 6450

EXPLANATION

The Canton Parks and Recreation Department is charged with providing comprehensive, high quality and well-rounded recreation and leisure activities for Canton residents. The programs are intended to address the needs of all populations from pre-school age to senior citizens. The Recreation Department also maintains the pool complex located at Mills Pond.

BUDGET CHANGES AND COMMENTARY

- Full-Time Salary: Represents the salary for the combined Recreation Program Supervisor position and the Aquatic Director position.
- Supervisory Salary: The Director's salary line item. Part of the Director's salary (\$10,000) is budgeted in the Recreation Special Revenue Account. Salary for the new recreation Director was increased when hired to be more competitive with Directors of similar towns.
- Part-Time Seasonal: Represents the cost of paying part time seasonal employees to operate the Mills Pond pool.
- Maintenance/Cleaning: Represents funds for opening and closing the pool house, pool house supplies, general repairs, portable restrooms and dumpster rental.
- Light/Power: Cost of electricity for Mills Pond Park.
- Repair Maintenance: Funds utilized to purchase first aid supplies, life guard suits, pool ID tags, etc. and infrastructure maintenance and repairs. Additional items to be purchased this year include handicapped swings (\$3,200) pool amenities chairs etc. (\$1,500) pool fitness equipment for exercise programming (\$1,500).
- Special Events: Provides for all special events run by department including summer concerts, teen events, senior programs, summer evening at the pool, holiday lighting and Breakfast with Santa. Increased by \$500 to add special pool events.
- Fuel/Heat: Reflects cost of heating hot water at Mills Pond.
- Sewer Use: Reflects costs associated with pool water treatment and toilet facilities at Mills Pond. The Town's sewer fees are charged the same as commercial users, which means the fee is based on water usage. Since significant amount of water is used to fill the pool and irrigate the fields, the Town can pay a relatively high fee to WPCA. Pursuant to an agreement with WPCA, a meter was placed on the water so that the sewer fee will only be based on the water used for the pool and toilets and not on water that goes on the fields. Increased based on trend.
- Meetings/Dues: Includes dues for the National Recreation and Park Association and Connecticut Recreation and Park Association. Increased due to inclusion of
 the registration fee for the CRPA meetings and conferences. Increased due to request by the Director to attend the National Recreation and Parks Conference
 (\$1,500).
- Mills Pond Chemicals: Chemicals used to treat the Mills Pond Pool.
- Mills Pond Pool Opening/Closing: Contract for Opening and Closing the pool. The cost has decreased because DPW employees now close the pool instead of an outside Contractor.
- Mills Pond Pool Repairs: Costs of repairing the Mills Pond Pool. Reduced based on trend and that the pool mechanicals were just updated.
- Mills Pond Water: Cost of the water to fill Mills Pond Pool and irrigate the recreation fields located at the park. The amount varies significantly depending on weather conditions. The Parks and Recreation Director has analyzed water usage and determined that the amount used to irrigate the fields is well within best practices. It is estimated that the pool and pool house utilize 500,000 gallons of water and irrigation uses between 2 and 2.5 million gallons.
- Copier Lease: Cost of leasing the copier for the Recreation Department.

SPECIAL REVENUE FUNDS PARKS AND RECREATION – 2100045

EXPLANATION

Special Revenue Funds are used to account for the proceeds of special revenue sources that are legally restricted to expenditures for specific purposes. In most cases, these funds do not directly affect the mill rate. The **Parks and Recreation Special Revenue Fund** accounts for all the fees collected for recreation programs and the expenditures needed to operate the program. The part-time seasonal staff has been increased to support enhanced summer camp programs and other additional programming throughout the year. It is anticipated that these additional costs will be offset by the increased revenues from the new programming.

The Parks & Recreation Revenue fund also partially funds the Park and Recreation Director position (\$10,000) and the Recreation Program Supervisor/Aquatic Director position (\$8,321).

BUDGET CHANGES AND COMMENTARY

- Part-Time Seasonal: Compensation for employees such as Camp Directors and Life Guards. This also includes an additional \$3,000 for part-time office support during the summer. The amount has been increased to hire additional seasonal staff to support enhanced summer camps and additional programming. These additional costs will be offset by revenues raised by the increased programming. The swim coach will now be paid an hourly rate from this line item instead of the previous independent contractor status.
- Financial Services/Fringe Benefits: Provides proportionate funding for Financial Department services committed to Parks and Revenue Special Revenue Fund function.
- FICA: Funds Part Time Parks position payroll taxes at 7.65% of all wages.
- Software Support: Parks and Recreation's share of MUNIS and the annual cost of recreation registration and management software.
- Meetings/Dues: Funds training and supplies for in-house training for recreation staff.
- Materials and Supplies: Costs associated with materials, equipment and supplies for recreational programs.
- Programs: Covers costs for running programs instructor fees, supplies, materials and miscellaneous expenses.
- CCRD Fees: This represents the processing fees for allowing participants to pay with a credit card. Increased based on increase in use of credit cards.

COMMUNITY SERVICES PUBLIC LIBRARY – 10320

EXPLANATION

Mission Statement: The mission of the Canton Public Library is a community information center that employs trained staff and offers a variety of collections, services, programs and equipment to which Canton residents of all ages can turn for support of lifelong reading, learning and personal enrichment. There was a request by the Library Director that the Teen Librarian's hours be increased from 16 to 25 hours per week. This request is not recommended at this time due to budgetary restraints.

BUDGET CHANGES AND COMMENTARY

- Supervisor Salary: Reflects salary for the Library Director. Line item was decreased because the new Director receives less compensation.
- Part Time: Part-time salaries indicate a 3% wage increase.
- Salaried Full Time: Represents salary amounts for four (4) full time employees.
- Computer Hardware: Cost of replacing computer hardware. The Library had been on a program of replacing computers on a three year basis while the rest of the Town was on a six year basis. The Library requested an additional \$6,120 for the purchase of eight IPads and a self-checkout station. The CAO approved the purchase of four IPads and the self-checkout station. The replacement of desktop/laptop computers has been transferred to the IT Department. It is hoped the additional IPads can be received through donations.
- Mileage: Reflects IRS rate and estimated usage. Increased based on trend.
- Copier Contract: Cost of new copier/printers that replaced numerous smaller printers.
- Meetings/Dues: Reflects costs of dues and memberships (Connecticut Library Consortium, CT Library Association, American Library Association and Association of CT Library Boards).
- Office Supplies: Includes cost of library processing supplies such as library cards and book covers and standard office supplies.
- Electronic Services: Primarily the cost of membership in the Library Connection Inc. Network \$28,628.
- Publications: Funds used to purchase print/audiovisual materials, DVDs, online data bases and other media for library patrons. Line item increased \$3,000 to add an E-zine service which provides magazines to the public in a cloud based electronic format.
- Programs: Funds special programs for Canton residents and provide a way to impact people who may not utilize the library for traditional purposes. Some funding is provided by the Friends of the Library.

PERSONNEL SUMMARY

Position(s)	Salary	14-15 Authorized	15-16 Requested	15-16 Proposed	15-16 Approved

TOWN OF CANTON

FINAL PROPOSED FISCAL YEAR 2015-2016 BUDGET

COMMUNITY PLANNING AND DEVELOPMENT

7065	Building Official
7410	Town Planner

COMMUNITY PLANNING AND DEVELOPMENT BUILDING - 7065

EXPLANATION

Connecticut General Statutes Chapter 541 sets forth the needs, duties, requirements and conditions of the Building Department. Chapter 541 also mandates that all municipalities within Connecticut utilize the State Building Code as its building code. The Building Department is responsible for issuing all building and associated permits. Plan review, various inspections and the issuance of certificates of completion or occupancy are among other duties of the Department.

Based on the current trend, the Building Official will be budgeted for fiscal year 2015/2016 at an average of 15 hours a week. The Building Technician continues to be full-time and is available during Town Hall hours of operation to assist applicants and schedule inspections. If the commercial and/or residential building market increases, the amount of hours for the Building Official will have to be increased.

BUDGET CHANGES AND COMMENTARY

- Full Time Hourly: Reflects cost of Building Technician.
- Part Time: Represents cost of Building Official at \$39.00 per hour 15 hours a week. Amount increased 3% which is consistent with other part-time employees.
- Mileage: Reimbursement for personal use of vehicle at the standard IRS rate.
- Meetings/Dues: Cost of conferences and seminars.
- Office Supplies: Used to pay for standard office supplies such as pens and forms.

PERSONNEL SUMMARY

Position(s)	Salary	14-15 Authorized	15-16 Requested	15-16 Proposed	15-16 Approved
Building Official	30,900	.43	.43	.43	.43

COMMUNITY PLANNING & DEVELOPMENT TOWN PLANNER - 7410

EXPLANATION

The Land Use Office assists the Town Land Use, conservation and development agencies to adopt plans, policies, regulations and programs to promote the sound long-range development, general welfare and safety of the community. This includes the preservation of property values, conservation of natural resources and preservation of historic resources, in balance with the development of a strong economic base. These changes are guided by the Town's Plan of Conservation and Development, Zoning Regulations, Inland Wetland and Watercourse Regulations, and Subdivision Regulations. The Commissions served by the Land Use Office include the: Planning and Zoning Commission; Inland Wetlands and Watercourses Agency; Zoning Board of Appeals; Economic Development Agency; Conservation Commission; and from time to time the two (2) Historic Properties Commissions. The Land Use Office also manages a public help desk that provides guidance to developers, private citizens and other interested parties in regard to land use and development policies and regulations in pursuit of improving the future sound development of the Town.

The EDA has proposed a budget of \$22,500 which includes Social Media (\$4,000), Advertising Placements (\$4,000), Website Enhancements (\$4,000), Site Photography (\$3,000), Commercial Site Inventory (\$6,000), Marketing Events (\$500), Brochures (\$1,000), and Market Research (\$1,000). The CAO reduced the request by \$6,000 because of the difficulty of trying to complete the Commercial Site Inventory along with the other initiatives of the Agency. The marketing account also includes \$7,500 for funding for the private Main Street group that was organized this year to promote programs in Collinsville.

BUDGET CHANGES AND COMMENTARY

- Full Time Salary: This reflects the salary for the Assistant Town Planner/Zoning Enforcement Official. Decreased because the new Assistant Town Planner will receive a lower wage then the prior Assistant Town Planner.
- Supervisor Salary: This reflects the salary for the Town Planner.
- Part Time: Amount reflects the cost of recording clerks from the various land use agencies. Reduced based on prior trend.
- Full Time Hourly: Reflects the cost of the Land Use Coordinator.
- Mileage: Reimbursement for personal use of vehicle at the standard IRS rate.
- Copier Contract: Cost for supplies and maintenance for the primary copier for Town Hall staff. Decreased based on actual usage.
- Marketing: Funds utilized to support economic initiatives of the Economic Development Agency and the Main Street group.
- Office Supplies: Reflects all office supply and cassette funds for individual Land Use Commissions and Boards. Amount is increased to
 purchase two Accessible Listening Devices for the major meeting rooms so that those who are hard of hearing will be able to listen to
 public meetings.
- Mapping: Funds creation of land use maps, subdivision maps and other maps needed by various Agencies, Boards and Commissions along with part of the cost of maintaining the Town's GIS electronic mapping system.
- Computer Supplies: Reflects the cost of purchasing print cartridges including those utilized by the large scale color plotter/scanner.
- Copier Lease: Cost of lease for the main copier. The copier is routinely used by the Land Use department and the rest of the town staff for their larger copier needs.

TOWN OF CANTON

FINAL PROPOSED FISCAL YEAR 2015-2016 BUDGET

INSURANCE & EMPLOYEE BENEFITS

8130	Insurance
9141	Employee Benefits

INSURANCE & MISCELLANEOUS MUNICIPAL INSURANCE - 8130

EXPLANATION

This account funds premiums on various types of Municipal Insurances including:

- Workers Compensation
- General Liability
- Malpractice, Property Coverage
- Funding for Unemployment Compensation claims

BUDGET CHANGES AND COMMENTARY

- Property Casualty: The Town's insurer is CIRMA. CIRMA is the predominant insurer for Connecticut Municipalities. Since the Town has been utilizing CIRMA there is no need to pay a separate insurance agent. The current three (3) year rate lock agreement expires on June 30, 2019. The rate lock is a "not to exceed" in that the premium cannot exceed 5% but if circumstances warrant it could be less than 5%. The benefits of staying with CIRMA are that it is a stable company that provides rate stability and insures most of the municipalities in the State and the savings derived from not having to use an independent insurance agent (previously was \$15,000).
- Workers Compensation: Worker's Compensation is now provided by CIRMA.
- Unemployment Compensation: The Town has not secured insurance coverage for Unemployment Compensation and therefore pays claims on a self-insured basis.
- Recoverable Expenses: Provides funding associated with deductibles for uninsured losses.

^{**} END OF REPORT - Generated by Amy OToole **

INSURANCE & MISCELLANEOUS EMPLOYEE BENEFITS - 9141

EXPLANATION

This program provides for the contributions required for benefits afforded to all Full time and Part time personnel including Life Insurance, Medical/ Surgical, Dental and Prescription Drug; Disability Insurance; Social Security and Medicare taxes. Provisions are also made for any on-going obligations of the Town for accepted and settled heart and hypertension claims by public safety personnel.

BUDGET CHANGES AND COMMENTARY

- Life Insurance: The Life Insurance benefit pays employees one and one-half times the employee's yearly salary as a death benefit (some Union contracts have greater amounts).
- Medical Insurance: The budgeted amount reflects the cost for the Town's self-insured Medical Insurance Program and Anthem's Administrative Services program. The amount is based upon the estimate of expected claims for the plan year taking into account the past year's experience. Based upon the recommendations of the Town's Consultant, medical insurance costs will remain flat. This amount includes the Town's contribution to the employee's high deductible Health Savings Account program.
- Section 125 Plan Administration: A Pre tax benefit plan which allows employees to utilize tax exempt funds to pay certain medical and dependent care expenses. The Town pays the administrative costs of the plan.
- Heart and Hypertension: Funds the Town's liability for spousal benefits of a deceased member of the Canton Police Department.
- Pension/Defined Contribution: The total budgeted amount reflects the Annual Required Contribution identified by the Town's Pension Actuary (Defined Benefit Estimate is \$573,152 and the Defined Contribution estimate is \$245,911). This only includes the General Fund amount as those attributable to the Special Revenue accounts (WPCA, Emergency Medical Services and Parks & Recreation) are located within the corresponding Special Revenue line items.
- FICA: Represents 7.65% of anticipated salaries.
- Employee Assistance Program (EAP): Provides for the Employee Assistance Program administered through the University of Connecticut Health Center.

TOWN OF CANTON

FINAL PROPOSED FISCAL YEAR 2015-2016 BUDGET

WATER POLLUTION CONTROL AUTHORITY

2400031 Water Pollution Control Authority (WPCA)

WATER POLLUTION CONTROL AUTHORITY (WPCA) - 2400

EXPLANATION

A portion of the Town of Canton, representing a significant amount of the community's commercial and retail properties, is serviced by the Water Pollution Control Authority in the disposal of waste water. The operations of the facility, under the direction of the Authority as appointed by the Board of Selectmen, are fully funded by the Water Pollution Control Authority Special Revenue Fund.

BUDGET CHANGES AND COMMENTARY

- Supervisor's Salary: Provides funding for general wage increase to Superintendent and Chief Operator.
- Part -Time: Reflects general wages for a meeting clerk.
- Financial Services: Represents 10% share in costs associated with the provision of financial services as provided by the Town's Tax Collector, Finance Officer, Accountant, Financial Assistant, Finance Clerk, and Tax Clerk.
- Full-Time NAGE: Represents cost of two union employees. Increased due to addition of the Operator I position.
- Overtime: to compensate WPCA and DPW employees for working one day every weekend, holidays and call outs. Account has increased due to use of DPW employee to cover weekends.
- FICA: Reflects increase based upon wages (FICA = 7.65% of wages).
- Repairs and Maintenance: Cost of building materials, valves and pipes, paint supplies and electrical.
- Manhole: Cost of replacing manhole covers. This line item was added due to the amount of manholes being replaced as part of the pavement management program.
- Laboratory: Expenditures to support the laboratory including filter papers, chemical reagents and glassware equipment.
- Mileage: Reimbursement for use of personal vehicle pursuant to IRS regulations.
- Software Support: Provides funding for MUNIS and Quality Data software.
- Telephone: Funding will be used to pay part of the cost of the new Verizon phone/fiber optic project.
- Fuel/Heat: Reflects amount based on trend and market rates.
- Sewer Use: WPCA is required to pay for its own sewer use.
- Meetings/Dues: Provides funding for subscriptions to trade journals, membership in trade organizations such as CWPAA, NEWEA, ASRWWA, WEF, CAWPCA; training and seminars; annual conference at ASRWWA.
- Major Purchases: Provides funding for unanticipated breakdowns and repairs.
- Advertising: Provides funding for annual user charge and sewer billing legal notice.
- Chemicals: Funds chemicals for cleaning and odor control.
- Engineering: Funds engineering assistance to Plant Superintendent and advice to Commission.
- Project Engineering: Engineering assistance for WPCA projects requested by the WPCA Commission.
- Auditor: Reflects WPCA Share of Town's annual financial audit.
- Department Expense: Represents annual increase for employees.
- Farmington Use: Amount reflects costs associated with per user fee charged by Farmington (129.5 connections at 282 per connection).
- Purchase of Nitrogen Credits: Reflects cost for nitrogen credit purchase.

PERSONNEL SUMMARY

TOWN OF CANTON

FINAL PROPOSED FISCAL YEAR 2015-2016 BUDGET

APPENDICES

FISCAL YEAR 2015-2016: FINAL PROPOSED BUDGET

Standard Account Definition and Explanation

Account	Title	Definition and Explanation
5100	Full Time	Current salaries of all non-union full time employees
5110	Supervisor Salaries	Current salaries of all supervisors
51200	Part Time	Covers part time employees. Stenographic work done for board and agencies is included in this category.
51300	Full Time — Affiliation	Salaries of all full time affiliated employees (NAGE, AFSCME, CILU).
51650	Longevity	Funds expenses related to longevity payments payable to union employees as required by collective bargaining agreements.
51660	Educational Incentive	Funds expenses related to payment of educational incentive to employees as mandated by collective bargaining agreement.
52100	Bonds	Funds expenses related to bonding of employees within Department.
53120	Computer Purchase	Funds expenses related to acquisition of computer equipment such as monitors, hard drives, printers, etc.
54200	Vehicle Fuel	Funds costs associated with fueling of all Town vehicles and/ or apparatus. Fuel is usually procured through a cooperative purchasing agreement with CRCOG.
55010	Vehicle Maintenance	Funds expenses related to the maintenance of Town vehicles and/ or apparatus in a safe and working manner.
55100	Maintenance/ Cleaning Supplies	Funds supplies related to cleaning/ maintenance of buildings and facilities including paper goods, cleansers, light bulbs, soaps, etc.
55200	Mileage	Funds expenses related to travel for work or Town purposes. Reimbursement is at IRS rate of .575 per mile.

FISCAL YEAR 2015-2016: FINAL PROPOSED BUDGET

Standard Account Definition and Explanation

55300	Heating/ Cooling Repairs	Funds expenses related to repairs to HVAC systems that are not otherwise covered by a service contract.
55310	HVAC Maintenance Contract	Funds expenses related to maintenance contract for HVAC systems of Departmental or Town facilities.
55500	Light and Power	Funds costs associated with electricity for Departmental or Town facility.
55800	Department Equipment Maintenance/ Repair	Funds costs associated with repairs, maintenance and/ or replacement of Departmental equipment.
55810	Office Equipment Maintenance	Funds expenses related to service contracts and repairs to Departmental or Town office equipment.
55830	Software Support	Funds expenses related to maintenance and licensing fees for computer systems and software utilized by Town and/ or Department.
56100	Postage	Funds expenses related to mailing of information, agendas or documents in accordance with functions of Department and/ or programs.
56200	Telephone	Funds expenses for Town and/ or Departmental telephones, radio/ emergency phone circuits, pagers, etc.
56205	Cell Phone	Funds expenses related to Departmental cell phone use or other cellular devices.
56340	Cable Television	Funds expenses related to cable television service for Town and/ or departmental needs.
56500	Fuel/ Heat	Funds expenses related to costs of petroleum fuel or natural gas for purposes of heating a Town or Department facility. Heating fuels, petroleum and natural gas, are purchased cooperatively through CRCOG.

FISCAL YEAR 2015-2016: FINAL PROPOSED BUDGET

Standard Account Definition and Explanation

56750	Water	Funds costs associated with water use for Departmental or Town facility.
56760	Sewer	Funds expenses related to the annual sewer use charge for Department or Town facility. Increases in these areas are driven by metered charges rather than administrative adjustments made by previous administrations.
56910	References! Texts	Funds expenses related to texts, publications and reports necessary and/ or beneficial to Departmental or Town functions.
56920	Consultant	Funds expenses related to retaining services of consultant for purposes of assisting in or performance of necessary functions related to Department or program function or Town business.
56950	Membership! Dues	Funds expenses related to memberships and/ or dues to various professional, civic, community or governmental agencies, organizations or agencies necessary or beneficial to Town functions.
57100	Office Supplies	Funds expenses related to purchase of office supplies necessary to effectively operate Departments and/ or functions.
57200	Printing	Funds expenses related to printing and binding of documents, manuals and reports of respective departments.
57400	Equipment Purchases — Major	Funds expenses related to purchase of major equipment for Town or Departmental operation needs.
57500	Advertising	Funds expenses related to advertising for purchasing, personnel, or legal notice purposes.
57600	Computer Supplies	Funds expenses related supplies for computers and printers within the Department and/ or function.
59900	Miscellaneous	Funds expenses related to unforeseen expenses of Department.
60030	VOIP/WAN	Lease payments for VOIP phone system and fiber optic lines.

TOWN OF CANTON

FINAL PROPOSED FISCAL YEAR 2015-2016 BUDGET

KEY ISSUES & MISCELLANEOUS DOCUMENTS

TOWN OF CANTON MEMORANDUM

TO:

Robert Skinner, CAO

FROM:

Harry DerAsadourian, Assessor

DATE:

January 30, 2015

RE:

2014 Grand List

This is to inform you that on January 30, 2015, the 2014 Grand List was filed with the following results:

	2014	2013	Change	<u>%</u>
Real Estate	974,715,240	969,492,110	5,223,130	+.53%
Personal Property	43,343,280	42,493,880	849,400	+ 2%
Motor Vehicles	82,751,003	82,109,950	641,053	+.78%
Total	1,100.809,523	1,094,095,940	6,713,583	+.61%

Real Estate

This year's increase is due in part to the completion of several new homes and the start of a new medical office building.

Personal Property

This year's increase is due equipment upgrades made by CL&P.

Motor Vehicles

This segment of the Grand List increased. Used car values have returned to a more typical 10–15% drop in values, due to increased new car sales resulting in a smaller increase.

Canton Historical Museum

11 Front Street, Collinsville, CT 06019 - 860-693-2793

November 11, 2014

Robert Skinner
Chief Administrative Officer
4 Market Street.
P.O. Box 168
Collinsville, CT 06022-0286

RE: Canton Historical Museum

Dear Mr. Skinner,

I am writing with the suggestion that the town consider assisting with the modernization of the Canton Historical Museum. The museum has "shovel ready" plans that will make the facility ADA compliant, create a visitors' center, and better protect the collection. Downtown Collinsville would benefit from having a visitor's center and improve facilities that will be more attractive to visitors who support the local economy.

The total cost to complete all of the projects is estimated at \$600,000. The improvements are being phased as funds are raised. Combining the projects should save money.

As a private facility, it may be a stretch for the town to provide any funding. Any assistance would be beneficial to the museum. What seems more possible is coordinating, and inclusion of the museum in the town's grant writing efforts, such as STEAP Grants, Block Grants and other opportunities that the museum is not aware. The museum, entirely staffed by volunteers, has been going it alone, and could use some help which ultimately would be mutually beneficial. We would like to discuss options with you if you feel there are viable ones. Thank you for your consideration.

Sincerely,

Donald K. Scott

President

Donald Tarinelli, AIA Building Committee

TOWN OF CANTON CIP Request Form Explanation FY 2015-2016 through FY 2019-2020

In the space provided below, please provide appropriate information and a detailed description of the project which encompass the CIP request. A separate form must be complete for **each** project.

DEPARTMENT: Emergency Medical Services PROJECT TITLE: Paramedic Upgrade

PROJECT AMOUNT: \$ 140,000

PROJECT YEAR: FY 2015-2016

PROJECT PRIORITY (If more than one project in a single year):#1

In order to be included in the Capital Improvement Plan the capital project must have a value greater than \$10,000 and last more than 5 years. The project description shall include all essential details of the capital project including, but not limited to, whether it is legally mandated, whether it addresses safety concerns and whether grant funds may be available to help off-set the costs. For vehicles, include the year and make of the vehicle that is being replaced.

PROJECT DESCRIPTION: The start-up costs for the paramedic level upgrade are in three parts:

- 1. LP 15 monitor/defib \$40,000
- 2. EMS Paramedic flycar \$50,000
- 3. EMS Paramedic start-up \$50,00

The Board of Selectmen was presented with the information regarding this upgrade at a recent meeting. The EMS Department is seeks the funding for this upgrade.

Town of Canton Fire & EMS

Upgrade to Paramedic Level Service

Board of Selectmen Town of Canton Post Office Box 168 4 Market Street Collinsville, Connecticut 06022

RE: Emergency Medical Services Upgrade to Paramedic

Dear Selectmen.

Thank you for considering the proposed changes to the level of emergency medical services provided to the Town of Canton.

The Town of Canton has been fortunate to have been served by combination of volunteers and paid staffing for many years. However as the population and demographics of the Town have changed so too have changes in training requirements for certifications and recertifications. In recent years new emergency medical interventions and equipment have been developed. These changes present new challenges for providing the highest level of quality patient care.

Many towns have struggled with the same issues of upgrading to paramedic level service and invariably the debate comes down to one issue, cost. It's simple to say that if there were no consideration for costs, every town would want the highest level of care available. This proposal seeks to find a balance between cost and patient care.

In Canton, we are facing both a financial question and the issue of continuing sponsorship of our current AEMT level of service. The University of Connecticut Medical Center is our sponsor hospital and effective July 1, 2016 they will no longer sponsor our AEMT level of service.

This change in sponsorship reflects changes that have been on the agenda at State levels of government as well. The University of Connecticut has been an outstanding partner in our Town's emergency medical services but just as Canton needs to change they do too.

In this presentation packet our department provides the Board of Selectmen with viable options for moving emergency medical services in a positive direction. The preferred

upgrade in service is to full-time commercially staffed paramedics with a fly-car utilizing the current combination of volunteer and commercial EMT's . It provides the highest level of emergency medical coverage with the greatest flexibility and potential for reimbursement income. Other approaches described in the packet allow for a scalable method of achieving paramedic coverage though they come with certain limitations.

Our department is prepared to work with the Town staff to implement the most beneficial level of emergency service as selected by your committee.

We appreciate your time and efforts and invite your questions so that we may help you make an informed decision.

Richard Hutchings MPA, RN EMT-P,
Chief – Town of Canton Fire & EMS

John Bunnell, EMT-P, BA Assistant Chief – Town of Canton Fire & EMS

John Bunnell BA, NREMT-P Assistant Chief Town of Canton Fire & EMS Department 4 Market Street P.O. Box 168 Canton, CT 06019

Dear Chief

As the EMS Coordinator at John Dempsey Hospital, I am in support of Canton Ambulance upgrading to the paramedic level of service.

I believe the paramedic level of service will help provide the best and timeliest care to the citizens of Canton.

I look forward to continuing to work with Canton Ambulance on issues of education, medical oversight and quality improvement.

You have are provided excellent service over the years. Upgrading to the paramedic level will continue and enhance this service.

Best,

Peter

Peter Canning EMS Coordinator John Dempsey Hospital <u>canning@uchc.edu</u> (860) 679-3485

Town of Canton Fire & EMS

Upgrade to Paramedic Level Service

Overview

Section 1

Town of Canton Fire & EMS Upgrade to Paramedic Level Service Canton, Connecticut

Overview

Brief History:

The Canton Memorial Ambulance was formed in 1950 by employees of the Collins Company. The Canton Memorial Ambulance was established as living memorial to U.S. war veterans. The ambulance operated as an independent organization from 1950 till 1963 when it merged with the Collins Company Fire Department.

In 1987 Chief Hutchings spearheaded an effort to upgrade to service to the present AEMT Level (formerly known as the Intermediate Level) of service. The AEMT Level of service essentially provides three key skills, enhanced assessment, IV therapy to improve blood volume/pressure and better airway management over the basic skills (though not to the gold standard of intubation as provided by paramedics). In the last few years the service has added new protocols and equipment to improve patient care (QuikClot, Lucas 2, Naloxone, CPAP). While these have all been good improvements they fall short of the level of service provided by paramedics.

Our sponsor hospital is the University of Connecticut Health Center in Farmington. Notice has been given that effective July 1, 2016 they (UConn) will no longer sponsor Canton at the AEMT level. Canton is the last remaining AEMT level service operating in the region. (Please see area map at the end of this Overview)

Additional Background Regarding Canton EMS:

In the third quarter of 2011 the Board of Selectmen appointed a Temporary Committee to make recommendations for long range plans for providing Emergency Medical Services (EMS) for the Town of Canton.

The Committee submitted a report to the Board of Selectmen dated September 7, 2012. The report recommended upgraded to paramedic level of service within two years. The report is included for reference in Section 8.

The Town of Canton Volunteer Fire and EMS is part of Region 3 of the Connecticut Regional EMS Councils and as such is governed by the North Central CT EMS Council Regional Guidelines. To better understand the various levels of service (EMR, EMT, AEMT, Paramedic) in detail a copy of the Guidelines have been provided. As this is a 220 page document only a single copy has been made a part of this submission. Additional copies are available on request or may be viewed on line at:

http://www.ctemscouncils.org/downloads/NC_EMS_%20Guidelines.pdf

Current Status:

At present when a 911 call is received a Canton Police Officer is dispatched to the scene. That responding officer is our Town's First Responder. Car 10 is dispatched, provided a full legal crew is available, to the scene and assumes responsibility for the patient(s). If a higher level of care is required paramedics are dispatched from UConn. Depending on the nature of the call they either meet on scene or intercept during transport.

In the State of Connecticut there are four levels of Primary Service Area Responder levels:

- First Responder
- Basic Ambulance
- Intermediate Ambulance
- Paramedic

As currently certified by the Connecticut Department of Health our primary ambulance (Car 10) must be staffed to provide the intermediate level service (AEMT + EMT) in order to respond to a call. The second ambulance (Car 11) must provide basic level of service (1 EMT + 1 EMT) at a minimum. The second car out may provide intermediate level service as long as an AEMT is on board.

The service is staffed by a paid service provider 06:00 to 18:00 Monday through Friday with a crew of an AEMT and an EMT.

From 18:00 to 06:00 every day and 06:00 to 18:00 on weekends a volunteer crew staffs the ambulance.

If a full legal crew (AEMT + EMT) is not available, even if two EMT's are ready at the station to respond, the dispatcher must request mutual aid from a surrounding town in order to satisfy the requirements established for an AEMT level service.

Time:

At present UConn provides paramedic services to the Town of Canton. As noted in the EMS Study Committee Report, the average response times for paramedics was 16.95 minutes with 90% of all calls arriving within 32 minutes. Ten percent of the response times for medics was between 32 and 68 minutes. The NFPA 1710 standard is an 8 minute response time. At best UConn is 13 minutes from Canton. Traffic and weather have a significant impact on response times. Establishing a paramedic service in Town will mitigate the majority of risk of travel distance.

Sample Scenario:

If the Town upgrades to paramedic level service Car 10 will be able to respond to all calls with a Basic ambulance (R2) and the paramedic will be able to respond via a separate fly car. If after evaluation the patient may be transported at the BLS level, the paramedic will remain in Town prepared for the next call. Assuming a second call is

activated while the first ambulance is out of Town, the medic and a second basic level ambulance can respond. Taking it one step further, a third call is activated while both ambulances are out of Town, the medic can respond and a mutual aid call for a basic ambulance can go out to our partner towns.

It is not that uncommon to have both Car 10 and Car 11 activated at one time. In fact, we have had the rare occasion of multiple medical calls that were responded to by Car 10, Car 11, Utility 8, Rescue 9 plus personal owned vehicles (POV's).

By establishing a paramedic service in Town a higher level of care and maximization of current resources can be developed.

What does Paramedic-level Service Mean?

Please see Section 5 for a Matrix Comparing EMR, EMT-Basic, AEMT and Paramedic Levels of Service.

Timeline:

Please see attached Gantt chart for transitioning to paramedic level service.

High-level View of Next Steps:

Over the course of the next several months steps will need to be taken to either downgrade our service to the Basic EMT level or implement a plan to provide the paramedic level of service in Canton. Depending on meeting schedules, planning for Town vote (if required), verifying costs, filing appropriate documents with the State the overall process may take 12 to 18 months. A preliminary implementation timeline/schedule has been included in Section 6 of this information packet.

- Review and approval by Town of Canton Board of Selectmen
- Review and approval by Town of Canton Board of Finance
- Depending on direction of the BOS:
 - o Town RFP for Paramedic Staffing
 - o Town RFP for Outsourced Paramedic Service
 - o Town Referendum to approve change in service

Goals:

- Provide the highest level or patient care in the Town of Canton
- Procure the appropriate level and quality of medical equipment and/or support vehicle
- Procure commercial qualified paramedic staffing company services
- Maintain the current core of qualified EMT's and FF/EMT's
- Further develop the management of the Canton EMS
- Enhance cooperation with surrounding towns
- Work towards self-sufficiency through run volume, collection ratio and rate structure

Town of Canton Fire & EMS

Upgrade to Paramedic Level Service

Options for Emergency Medical Services

Section 2

Town of Canton Fire & EMS Upgrade to Paramedic Level Service Canton, Connecticut

Options for Emergency Medical Service Levels

Recommended Options:

- Outsource for Paramedic Staffing (eliminate AEMT)
- Outsource for Paramedic Staffing (maintain two EMT's add fly car)
- Outsource for Paramedic Staffing (maintain one EMT 06:00 to 18:00 and add fly car for nights and weekends)

Not Recommended Options:

- Downgrade to BLS/Continue Paramedic Service from UConn Medical Center
- Create Town of Canton Paramedic Employee positions
- Completely Out-source Paramedic Level Service (Aetna, AMR, Campion, Hunters, other)

Downgrade to Basic Life Support Continue Paramedic Service from UConn Medical Center

This model changes the current staffing level requirements from a minimum of one AEMT plus one EMT to two EMT's.

The primary effects of this change versus the current status are:

Pros:

- Reduction in out-sourced staffing costs
- Ability for volunteers to respond with the primary ambulance (Car 10) without need for AEMT requirement.

- Reduced level of emergency medical assessment
- Does not improve response times of paramedic dispatched from UConn to Canton
- Reduces reimbursement rates (income) for calls responded to with the lower level of service

Create Town of Canton Paramedic Employee Positions

Creating permanent paramedic positions to be staffed by individuals hired directly by the Town of Canton.

The primary effects of this change versus the current status are:

Pros:

- Improves the response times of paramedics to provide highest level of emergency medical care in the field and during transport.
- Increased level of emergency medical assessment and care
- Increases reimbursement rates (income) for calls responded to with the higher level of service

- Increases immediate labor costs and long term commitments for benefits
- Requires holiday pay in excess of that provided by out-sourced services
- Places burden of managing and paying for training on Town of Canton

Completely Out-source Paramedic Level Service

Utilize a commercial emergency medical service company (Aetna, AMR, Campion, Hunters, other) to provide all emergency medical services to the Town.

The primary effects of this change versus the current status are:

Pros:

- Improves the response times of paramedics to provide highest level of emergency medical care in the field and during transport.
- Places burden of paying for training on the out-sourced company
- Avoids long term employment benefit obligations for the Town
- Eliminates the need to provide ambulance apparatus, medical supplies and training

- Town call volume may not attract multiple bidders for the scope of services requested in an RFP
- Eliminates any reimbursement income for calls
- Shifts burden of some first aid consumables on Police and Fire (O2, masks, basic supplies)
- Likely eliminates volunteer Canton Memorial Ambulance

Outsource for Paramedic Staffing (eliminate AEMT)

Utilize a commercial emergency medical staffing service (Aetna, AMR, Campion, Hunters, Vintech, other) to provide an emergency medical paramedic to staff the existing ambulance provided by the Town. This option would replace the AEMT that is currently paid for by the Town (M-F/06:00 to 18:00) and add a paramedic for the remaining shifts. By having a medic on the schedule for all shifts the Town will avoid costs for outsourced AEMT's that have been hired with greater frequency due to a lack of available volunteer AEMT's.

The primary effects of this change versus the current status are:

Pros:

- Improves the response times of paramedics to provide highest level of emergency medical care in the field and during transport.
- Places burden of paying for training on the out-sourced company
- Avoids long term employment benefit obligations for the Town
- Increases reimbursement rates (income) for calls responded to with the higher level of service
- Maintains Canton Memorial Ambulance participation and the provides the Town with reimbursement income provided by volunteer efforts
- Potential for reimbursement for paramedic service provided to mutual aid towns

- Commits paramedic to Car 10 only
- Town call volume may not attract multiple bidders for the scope of services requested in an RFP
- Added cost of providing medical equipment and medications to start up service

Outsource Paramedic Staffing (maintain two EMT's add fly car)

Utilize a commercial emergency medical staffing service (Aetna, AMR, Campion, Hunters, Vintech, other) to provide an emergency medical paramedic to staff the existing ambulance provided by the Town. This option would change the current EMT/AEMT team to two EMT's paid for by the Town (M-F/06:00 to 18:00) and add a paramedic for all shifts.

By having a medic on the schedule for all shifts the Town will avoid costs for outsourced AEMT's that have been hired with greater frequency due to a lack of available volunteer AEMT's. Further the paramedic in a fly car offers the ultimate in volunteer utilization, flexibility for apparatus responding and maximized reimbursement rates.

The primary effects of this change versus the current status are:

Pros:

- Improves the response times of paramedics to provide highest level of emergency medical care in the field and during transport.
- Places burden of paying for training on the out-sourced company
- Avoids long term employment benefit obligations for the Town
- Increases reimbursement rates (income) for calls responded to with the higher level of service
- Potential for reimbursement for paramedic service provided to mutual aid towns

- Town call volume may not attract multiple bidders for the scope of services requested in an RFP
- Added cost of providing fly car to begin service

Outsource for Paramedic Staffing (maintain one EMT 06:00 to 18:00 and add fly car for nights and weekends)

Utilize a commercial emergency medical staffing service (Aetna, AMR, Campion, Hunters, Vintech, other) to provide an emergency medical paramedic to staff the existing ambulance provided by the Town. This hybrid option would change the current EMT/AEMT team to one EMT paid for by the Town (M-F/06:00 to 18:00) and add a paramedic for all shifts.

By having a medic on the schedule for all shifts the Town will avoid costs for outsourced AEMT's that have been hired with greater frequency due to a lack of available volunteer AEMT's. Further the paramedic in a fly car offers the ultimate in volunteer utilization, flexibility for apparatus responding and maximized reimbursement rates.

The primary effects of this change versus the current status are:

Pros:

- Improves the response times of paramedics to provide highest level of emergency medical care in the field and during transport.
- Places burden of paying for training on the out-sourced company
- Avoids long term employment benefit obligations for the Town
- Increases reimbursement rates (income) for calls responded to with the higher level of service
- Potential for reimbursement for paramedic service provided to mutual aid towns
- Scalability, if call volume warrants, a second EMT can be added and the medic utilizes the fly car.

Cons:

• Added cost of providing fly car to begin service

Section 4

Upgrade to Paramedic Level Service

Options Summary

11/17/2014

	Year 1
Recommended Options	Projections*
One medic + one EMT (no fly car)	(\$297,047)
One medic + two EMT's w/Fly car	(\$387,837)
One medic + one EMT w/Fly car (off hours only)	(\$341,737)

Not Recommended

Downgrade to BLS	(\$130,627)
Outsource all EMS to commercial service (some towns pay in excess of \$400,000 due to low call volume, others pay very little.)	\$382,000 ** to \$20,000 **
Town employee paramedics	(\$580,487)

Basis of Projections:

FY 11-14 3 Year Averages (rounded)

3 Year Average Expense	\$ 424,000
3 Year Average Revenue	\$ 334,000
3 Year Average Annual Shortfall	\$ (90,000)

^{*} Projections are based on current spending and revenues. That is, projected numbers include anticipated operating losses as previously experienced.

^{**} Does not include the value of liquidating current EMS equipment and apparatus.

Upgrade to Paramedic Level Service

Rationale

Capture all known costs

Forecast replacement costs

Understate recovery rates for billings (80%)

Be conservative, include contingency on operating costs

Anticipate costs higher costs increases for fuel

Use realistic cost increases (3%/year)

Use moderate rate increases (2%/year)

Apply sensitivity of plus 10%/minus 10% to demonstrate best/worst/likely cases

Project growth that never exceeds 92% of highest recent year call volume

Compare Models:

Recommended Options:

Commercial paramedic staffing 24 hours/day with fly car + 2 EMT's

Commercial paramedic staffing 24 hours/day + 1 EMT (fly car off-hours only)

Commercial paramedic staffing 24 hours/day + 1 EMT (no fly car)

Not Recommended:

Downgrade to BLS

Create Town of Canton Paramedic Employee positions

Completely Outsource Paramedic Level Service (including basic EMS)

Town of Canton Fire & EMS

Upgrade to Paramedic Level Service

Scalability and Exit Strategy

Section 7

Town of Canton Fire & EMS Upgrade to Paramedic Level Service Canton, Connecticut

Scalability and Exit Strategy

Scalability:

Several options for transitioning to paramedic level service for the Town were explored. The range of approaches included:

- a. Provide paramedic coverage for Monday through Friday 06:00 to 18:00
- b. Provide paramedic coverage for seven days per week 06:00 to 18:00
- c. Provide paramedic coverage 24/7/365 with a single EMT utilizing the existing Car 10
- d. Provide paramedic coverage 24/7/365 with a single EMT utilizing the existing Car 10 plus a fly car for off hours only (18:00 to 06:00 and weekend shifts)
- e. Provide paramedic coverage 24/7/365 with two EMT utilizing the existing Car 10 plus a new fly car

Providing part-time coverage as described in options a and b would not solve for the response time issues for hours when the paramedic is not under contract. It would also require maintaining agreements with UConn medics and the same shared billing that exists currently.

Options c, d and e provide full-time paramedic coverage for the Town. Option e provides the maximum flexibility to respond to the most number of calls in Town along with the greatest potential utilization of all existing apparatus.

If a decision is made to start with a medic and EMT in the existing ambulance it is possible to scale up by adding a second EMT to the paid staff during the weekday shifts. This marginal increase in costs provides immediate expanded service. The medic could use the second ambulance for responding to calls. While not ideal it is a cost conservative approach. Option d provides for the best, most scalable solution by introducing the fly car to the equation.

If the value of the expanded service is demonstrated a medic fly car could be added to the operations and the ultimate in staffing, service and flexibility would be achieved.

Exit Strategy:

Two primary strategies exist if it is decided that the option employed does not work for the Town.

If after operating the paramedic level service it is determined to be economically unfeasible then the Town could elect to terminate the service agreement with the staffing company and liquidate the equipment procured at start-up.

If it is determined that the paramedic level of service is working practically but receivables are inconsistent with continuation the Town could elect to solicit proposals to completely outsource the emergency medical services and liquidate all equipment and apparatus. This decision would effectively disband the volunteer emergency medical service in Town.

Town of Canton FIRE&EMS Key Issues/Project Summary Sheet Fiscal Year 2015-2016

Key Issue/Project Title:

FIRE& EMS Administrative Assistant

Key Contact Staff:

Chief Richard Hutchings

Item Type:

New Initiative

Definition:

The Town of Canton Volunteer Fire & EMS Department requests funds for a 35 hour per week, Administrative Assistant position. This position would be paid at rate consistent with other town staff with a similar job title (Administrative Assistant to the Fire Marshal and Building Department). The Administrative Assistant would be responsible for assisting the Chief of the Volunteer Fire & EMS department with the administrative functions of the department, contributing to the daily operations by performing skilled clerical work of a high degree of difficulty.

History:

Historically, the clerical work for the department has been assigned to the Administrative Assistant to the Fire Marshal and Building Department for a total of 4 hours per week.

Current Status and Potential next Steps:

The current status is that the 4 hours per week is not enough and the Administrative Assistant spends many more hours per week performing clerical tasks for the department. Since assisting the Fire & EMS department is not the primary function, much paperwork is "falling through the cracks" and the Fire & EMS department is always behind in its processing of invoices, filing, and other departmental activities.

The potential next step would be to fund this full-time position. This would allow for the comprehensive work assignments of updating the department website, maintaining and scheduling training and re-certifications, maintaining files, paid-on-call entry, NFIRS entry, organize and coding of invoices, preparation of correspondence, grant applications, processing mail, answering phones, ordering equipment/supplies and assisting department staff in all phases of departmental activities under the direct supervision of the Chief of the Department. The hours for the Administrative Assistant would be consistent with town hall hours of operation and would be conducted out of the Office of the Chief of the Department. The anticipated costs associated with the position is approximately \$50,000.

Town of Canton Department of Public Works Key Issues/Project Summary Sheet Fiscal Year 2015-2016

Key Issue/Project Title:

Public Works Administrative Assistant

Key Contact Staff:

Robert J. Martin

Item Type:

Modification Initiative

Definition:

The Canton Public Works Department requests funds to modify the 20-hour-per-week Part Time Administrative Assistant position to a 35-hour-per-week Administrative Assistant position on its staff. This position would be paid at rate (\$21.28 per hour) consistent with other town staff with a similar job title (Administrative Assistant to the Fire Marshal/Emergency Management, Fire Department and Building Department). The Administrative Assistant would be responsible for assisting the Director of Public Works with the administrative functions of the department, contributing to the daily operations by performing skilled clerical work of a high degree of difficulty.

History:

Historically, the position of Administrative Assistant has been part of the department's budget comprising of 4 hours per week at \$11.25 per hour with a yearly salary of \$2,340.00. This 4 hour position was un-filled. In 2013 this position was increased to 12 hours per week at \$17.31 per hour with a yearly salary of \$10,801.44. At this time the position was filled. In 2014 this position was increased to 20 hours per week at \$17.83 per hour with a yearly salary of \$18,543.20.

Current Status and Potential next Steps:

The current status is that this position has been a tremendous assistance to the Director of Public Works who in the past was performing all of the duties currently performed by this part time position. These increased hours have shown to be beneficial in developing the pavement management website, the creation of a staff training matrix, having the phone and walk-in requests for service greeted by a staff member. This position is currently occupied Monday, Tuesday, Wednesday from 8 am - 12:30 pm and Thursday and Friday from 8 am - 11:15 am. The remaining hours that the department is open to the public, this position is not occupied, with the director performing the remaining administrative assistant work.

The potential next step would be to modify this part-time position into a full-time position. This would allow for the comprehensive work assignment of; updating the department website, maintain and schedule training and recertification's, payroll entry, organize and coding of invoices, preparation of

correspondence, research and reports, scheduling appointments, processing mail, answering phones, greeting the public, ordering equipment/supplies, updating Pavement Management by using Road Manager and assisting department staff in all phases of departmental activities.

Growing this position would allow the director additional time to spend developing, planning, directing and integrating broad and comprehensive public works programs and activities. This full-time position would take the remaining administrative assistant work off the director's shoulders and allow additional time to work more closely with the CAO and Project Administrator to development specifications, bid documents and grants for a variety of town pavement management, construction and maintenance projects. In summary, this position would permit the director to dedicate more resources to monitor long-term plans, goals and objectives ultimately allowing him to focus on achieving the town's mission and selectman's priorities and to achieve department annual goals, objectives, and work standards.

The next step would be to approve the modification of the part-time (20 hours per week) Public Works Administrative Assistant position to a full-time (35 hours per week) Public Works Administrative Assistant position. I recommend that the town offer this position to the current part-time Public Works Administrative Assistant Heather Maroon.

Anticipated Schedule:

The anticipated schedule for the Public Works Administrative Assistant position would be as follows:

Anticipated Costs:

Yearly salary: \$38,730

Additional Timing Concerns:

None

TOWN OF CANTON

TITLE: Public Works Administrative Assistant CLASS: Hourly

DEPARTMENT: Public Works **DATE**: July 1, 2015

POSITION DESCRIPTION

Works under the general direction of the Director of Public Works: The Public Works Administrative Assistant performs a variety of highly responsible complex and advanced secretarial and clerical work requiring knowledge of a special field. Duties are varied and are carried out with a high degree of confidentiality, discretion, and independent judgment. Considerable knowledge of Town policies and procedures are required at this level.

ESSENTIAL JOB FUNCTIONS (EXAMPLES)

The following statements describe the principle functions of this job and its scope of responsibility, but should not be considered an all-inclusive listing of work requirements.

- Manages administrative support functions and more complex tasks including establishing relative priorities of current and anticipated workload and organizing and conducting assignments according to deadlines.
- May be required to draft Public Works RFP's.
- Updates town Pavement Management Road Master software.
- Assists with department grant and budget preparation as needed.
- Sets up office systems including file maintenance, mail distribution and correspondence deadlines, and project management.
- Prepares and composes letters, reports and correspondence on own initiative about administrative matters and general office policies for supervisor's approval.
- Maintains confidentiality.
- Performs or establishes procedures for all clerical functions and actions including phones, filing, general word processing, tracking of information, maintaining departmental logs, and other similar administrative support.
- Prepares special or one-time reports, summaries, or replies to inquiries, selecting relevant information from a variety of sources such as reports, documents, correspondence, other offices, etc., under general direction.
- Ensures that requests for action or information are relayed to appropriate staff members; ensures that information is furnished in a timely manner. Requires rational, independent thought process.

- Maintains quality customer care and professionalism in dealing with public and other employees.
- Periodically evaluates process and program effectiveness and take action to maintain continuous improvement.
- Responsible for department purchase requisitions and accounts payables ensuring proper approvals and coding, record keeping and file maintenance for all needed department supplies and invoice approvals.
- Provides pertinent and timely information for the Town newsletter and website.
- Maintains and prepares department attendance and payroll records and all related statistics for Public Works employees.
- Follows all safety rules and procedures, and contributes to the safety of coworkers and the general public.
- Participates as an active Public Works team member by contributing to program development and organization planning.
- Performs responsibilities in a manner that clearly shows effective communication and cooperation and that promotes open exchange of information, respect, high ethical standards and professionalism.
- Maintains work areas in a clean and orderly manner.
- Required to report to work at the appointed hour, as scheduled, and to work the entire assigned schedule.

REQUIRED KNOWLEDGE, SKILLS AND ABILITIES

- Proficient in the use of various MS Office programs, including Word, Excel, PowerPoint, and Outlook.
- Proficient in the use of a variety of general office equipment and skilled at typing at a speed necessary for successful job performance.
- Communication principles and practices.
- Principles of business letter writing and report preparation.
- Correct English usage, spelling, grammar and punctuation.
- Modern office procedures, methods and computer equipment.
- Basic business arithmetic.
- The ability to establish and maintain effective relationship with the public and coworkers to communicate effectively
- The ability to maintain confidentiality of private and sensitive information and documents.
- Respectfully respond to requests and inquiries from the general public in person and over the telephone.
- Analyze and resolve problems in a logical and effective manner.
- Perform research, compile and analyze data, and write clear, concise and accurate reports on complex subjects.
- Ability to deal with the public and Town officials with diplomacy and tact.
- Interpret, apply and explain applicable rules and regulations.
- Understand and follow oral and written instructions.

- Maintain accurate records and files.
- Simultaneously manage multiple job assignments.
- Contribute effectively to the accomplishment of Town goals, department objectives and activities.
- Communicate clearly and concisely, both orally and in writing.
- Establish and maintain effective working relationships with those contacted in the course of work.
- Contribute to the efficiency and effectiveness of the Town's service to its customers by offering suggestions, and directing or participating as an active member of a work team.
- Exercise tact and diplomacy in dealing with sensitive, complex and confidential personnel issues and employee situations.
- Ability to exercise sound, expert independent judgment within general policy guidelines.
- Ability to take a teamwork approach to the job by cooperating with others, offering to help others when needed, and considering large organization or team goals rather than individual concerns. Includes the ability to build a constructive team spirit where team members are committed to the goals and objectives of the team.

REQUIRED PHYSICAL AND MENTAL EFFORT AND ENVIRONMENTAL CONDITIONS

The work environment characteristics described here are representative of those employee encounters while performing the essential functions of the position. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. The noise level in the work environment is typical of most office environments with telephones, personal interruptions, and background noises. Work assignments may require attendance at evening meetings, e.g. budget meetings and attendance at meetings with other agencies strategic community partners and vendors.

The employee will be required to provide his/ her own transportation.

- While performing the duties of this position, the employee is frequently required to walk, stand, bend, kneel, stoop, communicate, reach and manipulate objects.
- The position requires mobility.
- Duties involve moving materials weighing up to 10 pounds on a regular basis such as files, books, office equipment, etc., and may infrequently require moving materials weighing up to 30 pounds.
- Manual dexterity and coordination are required while operating equipment such as computer keyboard, calculator, and standard office equipment.
- Specific vision abilities required by the job include close vision and the ability to adjust focus.

 Ability to hear normal sounds with some background noise and to communicate effectively.

Experience and Education

Associate Degree in Office Administration or related field or three years of administrative support experience with increasing responsibility and heavy public contact. Position requires advanced computer literacy and working knowledge of accounting principles. Prior work experience (clerical/administrative) in a municipal environment strongly preferred. Any equivalent combination of training and experience which demonstrates the knowledge, skills and ability to perform the above described duties will be considered.

LICENSE OR CERTIFICATE

Possess a valid Connecticut Drivers License

Note: The above description is illustrative only. It is not meant to be all-inclusive.

I understand that nothing in this position description restricts the Town's right to assign or reassign duties and responsibilities to this job at any time. I also understand that this position description reflects the Town Administration's assignment of essential functions; it does not prescribe nor restrict the tasks that may be assigned. I further understand that this position description may be subject to change at any time due to reasonable accommodation or other reasons.

I have reviewed this document and discussed its contents with my supervisor and I fully understand the nature and purpose of this position description and its related duties.

Re: Budget Request Questions

1. Website Enhancements

\$4,000

In this year's budget, we were allocated \$4,000 for initial development of a 15-20 page website, including graphic design, programming, domain name registration, maintenance and other production costs (e.g., photography, videography).

This site will be integrated into the existing town site, but will also be accessible through a separate, more user-friendly domain name. The reason for this is search engine optimization: If we buried the economic development inside the town site, with no direct access, it would not show up on a Google or other search engine search – at least, not as prominently as a more accessible domain name. Now, this could be as simple a name as www.townofcantonct.org/economic development. But something like www.cantonforbusiness..com is more memorable in advertising and other communications.

Here's an example of the kind of site and content we would like to build: Erie, Colorado, which justifiably wins awards for its economic development marketing. Great website, great components, easy navigation and lots of good content. There is no way we can develop such an extensive site for \$4,000, even if EDA members write all the copy for free. I'd estimate the site – not the town site, just this economic development site – contains 200+ pages. Much of that is redesign/packaging of existing content, but it still requires design and programming work.

Canton's initial website – covered by the \$4,000 from 2014/15 – will provide the basic framework for a site of this type – again, following the outline of the inquiry fulfillment brochure I forwarded you earlier. This includes:

- A brief residential profile demographics, lifestyle, environment, etc.
- A business community profile
- A town government profile
- Very brief descriptions of some recent development successes
- Descriptions of education and community features

We won't include much more content than will be available in the brochure – not in this initial version. We will also include existing information from documents you typically use in responding to inquiries – the CERC profile, a key officials list, a description of the zoning/proposal process – probably in PDF form.

That will be a lot for the \$4,000. The \$4,000 for 2015-16 are for improvements that will bring us much closer to a final product that approaches the Erie CO site. This will include integration of the site inventory; better and more detailed maps; more details about state incentive programs and business assistance; demographic reports; transportation information; market analyses; etc. And all of this will be easy to navigate – we want to help the inquiree find information, not make him hunt and search through various sections of the town site.

So, the \$4,000 is for additional design and programming time, production costs (e.g., photography, video). The EDA will once again contribute planning, copy, and project management time.

2. Social Media \$3.000

This year, the EDA will establish a Facebook page for Canton Economic Development. We would also like to establish a YouTube presence. The Facebook effort will begin by posting news, links to existing information (e.g., Compass news, the blog), and periodic posting of basic information in small bites – things that make Canton attractive, unique, etc. Eventually, our goal is to post more useful detail and news on an ongoing, frequent basis.

To do that requires **content** – and that goes beyond words. We need to produce photography and video regularly, to go along with whatever copy the EDA can generate, or that we can provide through relevant links.

If we find that we won't need to spend the full \$3,000 for content development (an outcome I truly doubt), we would use it to supplement the advertising program by purchasing either Facebook ads or Google keyword advertising, both of which are very efficient and very low-cost.

3. Site Inventory

Simply, we don't have the internal expertise to design an effective site inventory. (To see a great example of what we would love to have, check out the <u>Erie site inventory</u>. Although I would love to add a "Featured Properties" section with photography.) We need someone to put us on the right path – show us how to construct the site, how to gather the information, how to maintain it, etc. Such consultants exist – for example, CERC offers the service here in Connecticut.

EXPLANATION: Details including changes, increases, new items and decreases - must be explained in full:

Marketing has been an re-occuring annual request to fund EDA initiatives through the past several years and other town marketing initiatives. \$400 is requested to purchase additional promotional "hangers" for Collinsville Downtown Sign Marketing was expanded last year significantly per requests from the Canton Main Street Program and Economic Develoment Agency. Main Street's request is identical. EDA has change the total dollar amount and allocation CT Main Street - request submitted to pay annual membership fee.

November 18, 2014 minutes from Canton EDA detailing specific allocations are posted at the following (and attached): http://www.townofcantonct.org/filestorage/6662/7475/7479/17898/11-05-14_EDA_Special_Meeting_Minutes_-_Approved.pdf

TOWN OF CANTON Key Issues / Project Summary Sheet FY2015-2016

Key Issue / Project Title: Increase the Part-Time Teen Services Librarian Position to 25 Hours per Week
Staff Contact: Robert Simon until January 2, 2015 / Heather Baker (Head of Children's Services) after January 2, 2015
tem Type: Upcoming agenda item Item needing policy direction X New Initiative On-going issue
Definition: We request funding to increase our part-time Teen Services Librarian position from 16 to 25 hours per week.
History: Our part-time Teen Services Librarian position was established on July 1, 2013. The incumbent has been employed by the library since September 17, 2013. She works 16 hours per week.
Our Teen Services Librarian is charged with designing a comprehensive program of collections, services, and activities that will bring Canton's teens into the library and make them library users. The task is challenging and, as a one-person

department, she is the sole staff member who interacts with this unique, hard-to-reach population.

The Teen Services Librarian regularly works beyond her 16 hours per week because there is so much to do and she recognizes the importance of her work. To date, she has created an impressive initial outreach. During her first nine months on the job, she planned and produced 45 programs that attracted audiences totaling 585 teens. In the first four months of FY 2014-15, including the very busy summer when school is out and students are looking for things to do, she produced another 52 events that attracted audiences totaling 821 teens.

Her summer events included the popular Book Buddies series (pairs of teens and elementary school students meet at the library every week to read and do crafts), a creative writing series, a Lord of the Rings movie marathon, and a library lockin. Outside of the summer, she has started a monthly Teen Advisory Group, at which teens discuss what they would like their library to have and to do. Her other recurring events include a monthly teen book discussion club, a monthly Young Writers Club, a twice-per-month Wii gaming program, and a twice-per-month Dungeons & Dragons group. Besides these recurring events, she also organizes periodic one-time events, such as movie showings, craft workshops, and her first

Comic and Fandom Fest held in October, to which 55 teens came. Clearly, our Teen Services Librarian is making the impact we had hoped for, but there is so much more to be done in order to make the permanent impact we want.

At 16 hours per week, she lacks the time for many important tasks: evaluating the collection, organizing other programs that teens are asking for specifically, and working with the middle and high schools. In early 2015, the sophomore class of Canton High School will be visiting to the library to hold a "mock United Nations meeting" to consider the topic of cyber warfare. Each student will be required to participate in the debate and to produce a written paper. The library has been asked to provide the venue as well as the resources for students to use in writing their papers and their debate speeches. This is the very type of beneficial library/school interaction we want to encourage. But having enough time is the problem. We request funding to increase our Teen Services Librarian position from 16 to 25 hours per week.

Current Status and Potential Next Steps: If these additional hours were funded, the part-time Teen Services Librarian position would be increased to 25 hours per week.

Anticipated Schedule and Planning Process: The Teen Services Librarian would work 25 hours per week, beginning July 1, 2015.

Anticipated Costs: During FY 2014-15, our Teen Services Librarian earns \$26.78 per hour. Assuming a 3% increase on July 1, 2015 (following budget instructions from Town Hall):

\$27.58 per hour X 9 additional hours per week X 52 weeks = \$12,907.44 per year for the additional nine hours

At 25 hours, the position would become eligible for prorated, paid vacation, sick, and personal leave, but not for any other employee benefits.

Additional Timing Concerns: None

TOWN OF CANTON Key Issues / Project Summary Sheet FY2015-2016

Key Issue / Project Title: Hire a Third Part-Time Summer Intern at the Canton Public Library
Staff Contact: Robert Simon until January 2, 2015 / Heather Baker (Head of Children's Services) after January 2, 2015
tem Type: Upcoming agenda item Item needing policy direction X New Initiative On-going issue
Definition: We request funding to hire a third part-time "Summer Intern" for the Library's Children's Room. This would mean an additional 160 hours of staff between July 1 and August 31, 2015.

History: Our children's and teen summer programs are numerous and extremely popular. To assist the Children's Room staff with presenting these events, for several years now we have employed two temporary "summer interns" between July 1 and August 31. Each intern works a total of 160 hours, meaning 20 hours per week for eight weeks.

Summer interns are an essential part of our Children's Room team during July and August. They assist in all aspects of children's and teen services, including but not limited to setting up rooms before programs, cleaning up rooms after programs, helping to produce special events, staffing the Children's Room desk, giving out reading incentives and prizes, answering public questions, assisting children who use the public computers, assembling book displays and bulletin boards, shelving, shelfreading, and performing other tasks as needed. Summer interns are essential not only because of the support work they do, but also because they help during the busy summer weeks to fill in gaps that result from regular staff taking vacations.

Participation in our July and August reading program events has grown every year. For example, during FY 2014-15, compared with the year prior, we experienced a 5% increase in the number of children entering grades 1 to 7 who enrolled in our independent reading club (426 versus 406) and a 14% increase in the number of books read (6,457 versus 5,643). We produced 99 special programs related to our summer reading club during the summer of 2014, an increase of 59% over the 62 programs sponsored in the summer of 2013. Attendance at the 2014 events was 28% higher than the year before: 5,549 versus 4,317. Behind these numbers was a great deal of staff work time. And every indication points

to interest in the library's summer programs continuing, especially now that we have a Teen Services Librarian. One of her charges is to expand youth programming.

As noted above, we have had two summer interns for several years, each one working 20 hours per week. Hiring a third summer intern will help us to keep the library and its summer children's and teen activities covered adequately and at minimal cost.

Current Status and Potential Next Steps: If this temporary part-time position were funded, three summer interns will be hired around May 2015.

Anticipated Schedule and Planning Process: All three summer interns will work 20 hours per week between July 1 and August 31, 2015

Anticipated Costs: During FY 2014-15, our summer interns earned \$9.46 per hour. Assuming a 3% increase on July 1, 2015 (following budget instructions from Town Hall):

\$9.75 per hour X 20 hours per week X 8 weeks = \$1,560.00 for the third summer intern

Additional Timing Concerns: None

Anticipated Schedule and Planning Process: If passed, a press release would go out in early June ensuring that folks were not surprised or confused with the name change.

Anticipated Costs: none, with the exception of new business cards for Director, and administrative time in changing forms, website, etc.

Additional Timing Concerns: see above.

Town of Canton

50 Old River Road, PO BOX 168 Collinsville, CT 06022 (860) 693-7863 (Office) (860) 693-7864 (Fax)

Office of Department of Public Works

To : Robert Skinner, Chief Administrative Officer From : Robert J. Martin, Director of Public Works

Date: September 23, 2014

Re: Transfer Station Improvements

The Canton Public Works Department's motto is "Serving the Community with Pride". The department's goal is to search for improved ways to perform their jobs. With this thought in mind, the department has identified several areas at the Transfer Station to better our service. We have made good progress the past two years operating a special revenue fund with a surplus of \$43,821.19 at the close of fiscal year 13/14. This surplus of funds will allow for CIP improvements that will include adding a roof that will cover the roll-off containers in the bulky waste area. When the roof system is installed, the roof will prevent water from soaking the bulky waste, cutting down the weight of the load resulting in lower bulky waste disposal fees. We currently have an RFP out to build the roof system with construction to follow this fall. Future CIP improvements will include renovating the metal recycling ramp area and installing a concrete pad under the metal roll off container. This past year we also instituted a credit card swipe option used for one time permits and bulky waste tokens. The feedback from the residents has been very positive about this new payment option.

For 2015 we would like to make the following changes:

One-Time Use Pass - \$10.00 change to One-Day Use Pass - \$10.00 Most residents purchasing a one time use pass are bringing in bulky waste items. Changing from a one time use pass to a one day use pass will allow residents to bundle their items over the course of one day. The bulky waste fee schedule will remain unchanged.

For 2015/2016 we would like to make the following changes:

Hours Of Operation – Tuesday – Saturday, 7:00-3:30 (CLOSED Sun/Mon/Holidays) change to Tuesday and Saturday - 7:00 to 3:00 Thursday 7:00 to 3:00, **(5/15 to 9/15) 10:00 to 6:00** (CLOSED Sun/Mon/Holidays)

Currently the hours of operation at the transfer station are five days a week (Tuesday thru Saturday) for a total of 42 ½ hours. After conducting a study of surrounding communities (see comparison survey worksheet), the survey indicates that the average is 22 hours per week hours. We currently have one full-time employee and one part-time employee at the transfer Station. It would be my recommendation to modify the hours of operation from 5 days a week to 3 days a week (see worksheet with proposed new hours of operation). The new hours of operation would take effect January 1, 2016. The parks budget would need to be adjusted for fiscal year 15/16. The following information will support my request:

Advantages:

Utilize the full time staff member to assist in the parks division two days a week. This would provide the parks division with staff support to take on the increased workload this division has

Town of Canton

50 Old River Road, PO BOX 168 Collinsville, CT 06022 (860) 693-7863 (Office) (860) 693-7864 (Fax)

- seen over the past few years. In the winter the increased availability of the staff member can assist in plowing and de-icing work.
- Full time staff member's wages would be reduced (\$20,904) from the transfer station special revenue account assigned two days a week to the parks division.
- ❖ The monies saved in the special revenue account could be used to lower annual permit vehicle sticker fee from \$150 to \$135 per household.
- ❖ The 24 hours of operation would be consistent with surrounding communities.
- ❖ New Thursday schedule 10:00 am until 6:00 pm from May 15 to September 15 would allow residents who normally only use the transfer station on Saturdays to come in after work on Thursdays. This would also potentially help residents who were going to be away over the weekend to use the facility later on Thursdays.
- New hours will allow transfer station staff the time to properly close the facility. This will cut down on overtime.
- Snow and Ice operations performed at the transfer station by the highway division would be reduced with fewer days open.

Disadvantages:

- Changing the hours of operation will generate some objections (especially the residents who come in every day).
- Fewer hours may increase peak use times at the facility.

Revenue:

Collection of revenue from user fees will remain consistent.

Expenditures:

- ❖ Full time staff member's wages would increase (\$20,904) assigned two days a week to the parks division. With the hours of operation taking effect on January 1, 2016, the 15/16 parks budget would increase (\$10,452) at the current pay level.
- Fewer hours would lower utility costs slightly.
- Hauling and tipping fees will remain consistent.

Thank you for your consideration

TOWN OF CANTON

FINAL PROPOSED FISCAL YEAR 2015-2016 BUDGET

LONG RANGE CAPITAL IMPROVEMENT PLAN

FISCAL YEARS 2015/2016 through 2019/2020

Town of Canton Comprehensive Capital Improvement Plan Project Description For the Fiscal Years 2015-2016 through 2019-2020

Information Technologies

Town Wide Server: Replace the aging Town Hall Server will a new Server with the capacity to be the computer server for most Town office including the Library/Community Center. With the installation of a fiber optic line to all town buildings there is no longer the need for each building to have its own server.

FACILITIES - TOWN HALL

Town Hall Improvements: Provides multi-year funding for Town Hall improvements in order to complete significant maintenance and building improvements.

Phase I ADA Improvements: Provides funding for ADA accessibility via a compliant elevator and ramp entrance. Includes restriping of parking lot; signed accessible route to parking and entrance; removal and replacement of existing elevator tower; hard costs; contingency; and soft costs.

Phase II – Areas of Refuge, Door Hardware, Public Service Counters: Includes ADA Building improvements such as area of refuge doors and partition renovation work, replace existing locksets with ADA compliant lever handle locksets, and modification of existing construction of new accessible public service counters, fire life safety improvements such as exterior door and hardware replacement in auditorium, cost of phased implementation, contingency, and soft costs.

Phase III – Handrails, Fire Escape, Fire Safety Improvements: Includes ADA site improvements such as new handicapped compliant ramps, handrails at the rear entry, new handicapped compliant exterior stair handrails, and new exterior egress fire escape with area of rescue, upgrade handrails at existing escapes; stair hallway handrail reconstruction; Fire Life Safety Improvements such as sprinkler under stage, stage smoke vents, stage fire curtains; hard and soft costs.

Chiller Replacement: Provides funding for replacement of the 50.5 ton unit installed in 1991 which has a life expectancy of 18-20 years.

Town Hall Roof Replacement: Strip and reinstall a portion of the Town Hall Roof; approximately 320 squares at \$300 per square.

Replace Carpeting in Tax and Town Clerk Offices: Replace carpeting in the Town Clerk and Tax Collector offices.

Lead Abatement and Repaint Exterior Trim: Most of the trim on the windows and doors at Town Hall has tested positive for lead paint and needs to be abated and then painted.

Ceilings and Lighting Replace: Replace the drop ceiling and lighting with new tiles and energy efficient lighting.

FACILITIES - COMMUNITY CENTER

Community Center Improvements: Provides multi-year funding for Community Center improvements in order to complete maintenance and building renovations including but not limited to carpeting, painting, doors, furniture, etc.

Rebuild Six Armstrong Pumps: Rebuild six Armstrong pumps, utilized for heating and cooling, which are beyond their normal service life.

Replace Ten Condensers: Replace ten condensers, utilized for cooling, which are beyond their normal service life.

Replace Elevator with ADA Compliant Model: Replace the only elevator at the Community Center with an elevator that meets the requirements of the Americans with Disabilities Act.

Elevator Replacement: Replace elevator with an ADA compliant model.

Video Equipment: Cameras and videotaping equipment for the main meeting room at the Community Center (Room F) to accommodate the taping of Board of Selectmen meetings and other events.

FACILITIES - COLLINSVILLE FIRE STATION

Facility Study: The Collinsville Fire Station will need to be significantly upgraded or replaced. This account would fund a study to review the needs of the Fire/EMS Department and determine what the best facility options are.

Replace 6 Overhead Doors: Replace 6 fourteen foot overhead doors at the Collinsville Fire Station which have reached the end of their life cycle and replace with energy efficient doors.

FACILITIES - PUBLIC WORKS

Public Works Facility Replacement: The current facility located on the banks of the Farmington River has been found to be of insufficient size to meet the current needs of the Town's Department of Public Works. The current site is also located in a flood zone which under federal regulations restricts its expansion. A proposal to relocate and expand the Public Works facility was defeated at referendum in November 2014.

DPW Facility Boiler Replacement: Current Boiler is beyond its useful life and frequently breaks down. If the facility is not relocated a new boiler will be necessary for the existing facility. The new boiler would be converted to gas for efficiency.

DPW Roof Replacement: Replace the DPW Facility roof (horse barn section). The roof is currently failing and leaking into the contents of the building including the light fixtures.

DPW Emergency Generator Replacement: Current generator is only 6.5 kw and essentially only runs the fuel pumps and few items within the garage area. A 58 kw generator would be required to power the entire facility.

DPW Masonry Wall Repair: A large crack is located in the older (horse barn section) of the Public Works facility. The crack was cited as a concern in a recent OSHA inspection.

PUBLIC WORKS

Replace Plow Blades: Replace two 1990's era blow blades with new power angle bow style blades.

Upgrade Existing Radio System: Upgrade and install new radio system that has appropriate repeater system for town wide coverage.

Pavement Management Program: Provides for the creation of a road condition inventory and management plan to maximize efforts to preserve the Town's investment in its roadway infrastructure. Creates a plan for the economical management of the limited resources available to operate and maintain the roadways in Canton. The funding for the program is based on a study that was approved in the 2010/2011 CIP budget. The engineering consultants that assisted the Town with the Pavement Management Program recommend that the Town fund \$600,000 annually to the CIP along with bonding for completing the large road improvement projects. The Town approved six million for road improvements in May 2013.

Sidewalk Replacement Program: Provides for the replacement of existing sidewalks of varying materials and widths that have deteriorated. The replacement sidewalks are proposed to be replaced with reinforced concrete with an anti-slip surface. Sidewalks would be constructed with ramps to meet the Americans with Disabilities Act. The proposal encompasses the construction of sidewalks to fill gaps in the existing sidewalk pattern in areas such as Dowd Avenue from Dunham Road to The Green at Route 44. Most recently sidewalks were replaced on Main Street in Collinsville.

Swimming Pool Road Bridge Removal and Turn Around: The proposed project is to remove the existing bridge, restoring the natural channel, and modify the existing dead-end roadway on the east portion of Swimming Pool Road to accommodate turning movements for vehicles utilizing the roadway. The westerly position of the roadway would be removed and the existing guide rail would be extended across the existing westerly intersection of Swimming Pool Road and Albany Turnpike to eliminate access from the west.

As a result of the removal of the bridge, modification to the easterly portion of Swimming Pool Road would be required to accommodate vehicles that would need to reverse direction. The existing public right-of-way cannot accommodate a standard size cul-de-sac or hammerhead turnaround, so additional right-of-way would be required. The parcel to the south of the roadway is owned by the Town of Canton and the parcels to the north are privately owned. A partial hammerhead turnaround to the south would require no easements and be the least costly to construct on Town property.

Because of proximity to the existing watercourse to the south, a partial hammerhead turnaround with a single leg would be constructed approximately 450 feet east of the existing bridge and south of the existing road on Town owned property. Although not in the preferred location, this location provides the least amount of encroachment into regulated areas within Town property. Locating the partial hammer head turnaround to the south of the existing roadway will require regulatory approvals because of the several restraints including a watercourse and wetland areas in close proximity to the existing roadway and the Special Flood Hazard Area. These regulated areas will be impacted as a result of the placement of fill and the construction of the hammerhead turnaround.

Rattlesnake Brook Flood Improvements: Provides for the determination of the extent of in-stream and stream crossing improvements on Rattlesnake Brook from a point approximately 500 feet upstream of Old Canton Road to the Old RR Bridge approximately 550 feet downstream of Atwater Road. The intent of the overall project is to reduce the impact of periodic flooding by Rattlesnake Brook on adjacent properties in the area. The completed work will have a service life in excess of 20 years.

The Project is proposed to encompass the following Phases:

Phase I: Perform a detailed engineering survey and study of Rattlesnake Brook to determine the impact and limits of the work on adjacent properties determine potential alternatives, design the stream crossing improvements, design the in-stream improvements to Rattlesnake Brook, and to determine what property rights would need to be secured to put the work in place and to maintain it.

Phase II: Prepare detailed construction plans and documents for bidding; secure the necessary property rights for construction and maintenance of the work. This Phase will also include securing the necessary federal, state, and local permits to construct the work.

Phase III: Prepare detailed engineering estimates of the probable construction cost, secure the necessary funding for the construction, bid the work, and put the work in place. This Phase may need to be broken up in several sub-Phases depending upon the total cost of the construction and the funds available. The project may require the procurement of property rights through the judicial system.

Bridge Improvement Program: One account has been set up to fund bridge maintenance. A recent DOT bridge inspection report indicates that several bridges on town roads need maintenance. Furthermore, despite the Town recently approving grant funding for rehabilitating Town Bridge, the actual construction will not occur for several years during which time immediate improvements will have to occur based on the most recent inspection report. The other bridge projects being considered under the bridge program are:

Maintenance – Barbourtown Road Bridge over Cherry Brook – Provides for the replacement of a failing deck membrane and pavement surface that protects the bridge deck on the Barbourtown Road Bridge over Cherry Brook. A July 2006 inspection showed deterioration of the waterproofing deck membrane. The existing membrane is 20 years old and has reached the end of its service life. The proposal involves a project to remove the existing pavement and waterproofing membrane, repair any defects discovered on the top of the concrete box beams, install a new waterproofing membrane, and repave the roadway over the bridge. It is expected that the new waterproofing membrane will have a 20 year service life.

West Mountain Road Bridge Deck Replacement – Provides for the replacement of the deck, expansion joints, guide rail system, and provide for other repairs to the West Mountain Road Bridge over Cherry Brook. The existing deck and guide rail system has been rated as fair in the latest ConnDOT Bridge Inspection Report dated December 1, 2006 with a Structure Summary Report dated November 16, 2006 calling out the West Mountain Road Bridge for work. The basic structure of the bridge is rated as good which makes it a good candidate for a deck replacement. This project would extend the useful life of the bridge a minimum of 20 years.

Powder Mill Road Sight Line Improvements: Provides for the removal of the vertical raise and fall in Powder Mill Road before the intersection with Town Bridge Road. The correction in the vertical alignment of the roadway will maximize operations at the intersection. The project, which will have a service life in excess of 20 years, also includes storm water drainage modifications at the intersection. These improvements will be funded through the Pavement Management Program.

Phase I: Phase I would include survey and design work along with more detailed cost estimates and location of right-of-ways to determine whether additional right-of-way acquisition would be required.

Phase II: Phase II of the project would be for securing the necessary property rights for construction, final design, regulatory permitting and finally construction of the improvements.

Town Bridge Rehabilitation: Town Bridge over the Farmington River was constructed in 1895 and is reaching the end of its service life without repairs and/or reconstruction. During the current fiscal year the Board of Selectmen applied for a grant to fund reconstructing the bridge. The estimated cost of reconstruction is \$6,183,000. A grant was received and accepted in 2010 that will fund 80% of the cost of rehabilitating the bridge. The remaining 20% will be paid with Town funds and additional grant revenues.

Big Mills Pond Dam Replacement: Provides for the replacement of the existing deteriorated earthen dam and spillway that creates Big Mills Pond in the Mills Pond Recreation Park. The proposal involved reinforcement of the earthen embankment against overtopping by flood flows and creation of a reinforced concrete spillway capable of safely passing the 100 year return flood as determined by the Federal Emergency Management Agency. Big Mills Pond Dam is considered a Low Hazard Dam as its failure is unlikely to cause excessive property damage or the loss of life downstream of the dam. The proposed work will have a service life in excess of 20 years.

Town Wide Storm Drainage Inventory: Provides for an inventory of storm water drainage inlets and outlets, cross culverts, and bridges within the limits of the Town per the requirements of the Connecticut Department of Environmental Protection (ConnDEP) General Permit for the Discharge of Storm Water from Small Municipal Separate Storm Sewer Systems (MS4). The work will consist of determining the physical location of each catch basin, manhole, or drainage outfall, determination of the physical condition of the structure, identifying the size and material of pipes entering and leaving the structure, and screening the discharge into the structure for non-storm water discharges including illegal dumping. The work will also include the creation of a GIS data base recording the information collected both for reporting to ConnDEP under the terms of the General Permit and to provide management oversight of the Town's storm water system. The project will also include land surveying field work, aerial mapping, and preparation of topographic maps of the Town in order to provide accurate base mapping for reporting of inlets, outlets, cross culverts, and other storm water drainage and other features required by the Connecticut Department of Environmental Protection General Permit for the Discharge of Storm Water from Small Municipal Separate Storm Water Systems (MS4) under the Clean Water Act.

PUBLIC SAFETY POLICE

Replace Microwave Relay Link: Microwave radio relay is a technology for transmitting digital and analog signals between two locations on a line of sight radio path. The current microwave equipment is outdated and is no longer manufactured. The Town's IT staff is looking into

whether the new fiber optic line between the Police Station and Town Hall could be utilized to transmit signals in lieu of replacing the microwave relay link.

Portable Radio Repeaters: Outfit the primary patrol vehicles with repeaters which would amplify the signal to the portable radios that are used by officers thereby creating better reception.

PUBLIC SAFETY - FIRE/EMS

New Extrication Tool (second set of cutters): Provides funding for the acquisition and placement of a complete second set of extrication tools on Engine Five based in the North Canton Station. The availability of this equipment at this location will enhance response times.

SCBA Replacement Equipment: Provides partial funding for the conversion of the Department's non compliant air packs to compliant airpacks.

Replacement of Air Pack Bottles: Replacement for end of life bottles and spare bottles for new air packs.

Replace 13/4", 2" and 5" Hose: Due to age of hose and new inspection process for hoses, it is anticipated that additional hose will have to be replaced next year.

AED Replacements: Replace one-third of the Fire/EMS Departments Automated External Defibrillators.

Paramedic Upgrade: There has been a request by the Canton Fire/EMS Department that the Town of Canton emergency medical services be upgraded to paramedic status. This request has been prompted by a change in state regulations which after 2016 will not allow the Department to maintain an advance EMT level status. The equipment recommended to be purchased is LP 15 Monitor/defib, EMS Paramedic fly car and other various supplies and equipment.

LAND USE

Zoning Map: Prior to revised regulations becoming effective, a new Zoning Map will need to be developed. Currently the Town Zoning Map exists in an antiquated fashion that is time consuming and costly to update and maintain. The new map will be completed in GIS format.

Subdivision Regulation Update: The current subdivision regulations have not gone through a comprehensive rewrite process since 1983. The Planning Commission is requesting \$20,000 for consulting fees to assist in accomplishing this task. It is not anticipated that the process would begin until the zoning rewrite is completed.

Design Regulations: Funds utilized to draft form based regulations for areas near Route 44 and Collinsville.

RECREATION/SENIOR SERVICES

All- Terrain Outdoor Event Stage: Parks and Recreation currently uses a make shift stage at Mills Pond Park to hold regular special events throughout the year including the Summer Concert series, Family Fitness Festival, Easter event and Spook-A-Palooza. The current stage is

falling apart and is unsafe. Temporary repairs get made on a regular basis but the stage is still in poor shape with warped sections of wood creating unbalanced conditions, pieces of wood jutting up and in addition the stage now has tons of mold on it. This request is for an All-Terrain Stage that would be weather resistant. The stage is important from both a safety perspective and a professional standpoint

Basketball Court Resurfacing: Resurfacing the basketball courts at Mills Pond Park was included in the STEAP Grant however due to other projects running higher than previously expected this project has not yet commenced. This project would include an all-weather textured resurfacing of both basketball courts, resurfacing the walkway, and using an armor crack repair system (or similar system) to fix all existing cracks on the courts.

Interior Pool Repairs: Infrastructure of Mills Pond Pool is deteriorating. The pool is in need of repair work which would include sandblasting the pool, chipping concrete to 3" average depth and then shooting the pool using a gunite/shot concrete process.

Repair Tennis Court/Basketball Fencing: The fencing surrounding the basketball and tennis courts at Mills Pond Park is in need of repair. The fence is damaged in several areas and has been pulled back. Minor repairs have been made but the fence is in need of overhaul.

Park Trail Restoration/ Bridge: The Parks and Recreation Commission expressed a desire to restore the trails at Mills Pond Park to make them more accessible and to connect the fields/schools. A part of this project would be done through use of Boy Scouts with assistance from Parks staff to help clear the trails. Additionally, there is a wooden bridge that connects the park to the trail system. The bridge is dilapidated and has fallen into the river. It is unsafe for use and is a liability for the town. This project would include building a heavy duty bridge to restore access to the area and allow for greater use of the parks assets.

Dial-A-Ride Van: The current Dial-A-Ride van is five years old. It is recommended that it be replaced in fiscal year 2014/2015. There has traditionally been grant money available for dial-a-ride vans. The amount funded is to be able to pay the Town match required by the grant.

Skatepark Improvements: The skatepark at Mills Pond Park is 12 years old and the equipment is worn and has started to become a safety hazard. Also because the mixed use at the skatepark includes bicycles, the park also needs to be redesigned. The current cost estimates for replacing the park are estimated at \$10-\$28 per square foot of construction..

Lawton Road Field Development: Planning and design for recreational fields has been completed with a total project estimate of \$950,000 (in 2012 dollars) for the park/ field portion of the project. The bike path section has been seperated out as another project. The Park and Recreation Commission have pursued this project for many years and believes that the need for additional field space is needed. Youth sport programs continue to grow. The current Plan of Conservation and Development indicates a shortage of field space and that this town owned parcel be developed for recreational use.

Farmington River Trail Extension: In addtion to the proposal for recreational field space at the Town owned parcel 55 Lawton Rd, the extension of the Farmington River Rail Trail has been incorporated into the site plan to extend 1,200 ft along the frontage of Lawton Rd and be incorporated within the park space. This portion of the project was priced out separate from the field development, as there is potential for grant funding for the trail portion. Some of the costs of development overlap between the fields and bike path portions of the project and should ideally occur in coordination. The Town's plans on continuing the trail North of Rt 44 and eventually connecting to existing trail networks in Simsbury, thus creating a unique 28 mile recreation loop.

Basketball and Tennis Court Resurfacing: The tennis and basketball courts located at Mills Pond Park are cracking and the lines are fading. It is anticipated that surfaces will have to be addressed within the next five years. The Park and Recreation Commission recommend that \$40,000 be funded in Fiscal Year 2014-2015 for the resurfacing. Once resurfaced the courts should last 10 to 15 years. Another option would be to pay for annual maintenance to the courts at the rate of \$6,000 per year.

Mills Pond Pool House Improvements: With funding being designated in FY13 for improvements to several components to the Pool, the pool house is left as the next major part of the facility that is need of renovation. HCA issues for bathrooms are currently being met with portable restrooms seasonally. Fixtures including electrical, all toilets, sinks and plumbing needs to be updated. Creating better space within the existing building can happen by modifying some of the interior walls. Exterior bathrooms do not meet HCA and should be able to service the park patrons which include many recreation camps and programs throughout the year.

River Access: A Small Town Economic Assistance grant was applied for in the amount of \$340,000 to build a boat ramp and associated improvements at 51 Old River Road (near DPW Garage) for access to the Farmington River for non-motorized boats.

BOARD OF SELECTMEN

Open Space Acquisition/ Preservation: Account used to fund the purchase of open space consistent with the criteria established by the Town's Open Space Preservation and Acquisition Commission.

WATER POLLUTION CONTROL AUTHORITY

Replacement of Truck: Replacement of 1999 Chevy truck.

Dyer Farms Pump Station: Upgrade to the Dyer Farms Pump Station

UV Disinfection Upgrade: Replacement of the Ultraviolet Disinfection System which is approximately 25 years old and needs to be replaced with newer technology.

Sewer System Evaluation: The Canton sewer system is inundated with clean water when large rain storms move into the area. The first phase of this has been completed with the televising and mapping of the sanitary sewer system. This Phase would look into the causes of the Inflow & Infiltration and then recommend ways the WPCF can reduce the Inflow & Infiltration in a cost effective manner.

SCADA System Upgrades: SCADA (supervisory control and data acquisition) is a system operating with coded signals over communication channels so as to provide control of remote equipment, was last updated in 2011. At that time 3 sewage pumping stations were outfitted with monitoring capabilities only. An auto dialer was set up for alarm conditions. The monitoring computers, software and other hardware (PLC's) periodically needs to be updated.

Process Study for Nutrient Removal: The National Pollutant Discharge Elimination System (NPDES) permit expires on April 24,2016. It is anticipated that the Canton Water Pollution Control Facility will have a more stringent nutrient removal requirement for Nitrogen and Phosphorus. Dependent upon Regulatory Requirements, we may have to incorporate some process modifications to meet those goals.

LARGE EQUIPMENT/VEHICLES

Highway Dump Truck 2 Replacement: Replacement of the 2001 4900 International Harvester truck. Replacement would include a new wing plow blade.

Highway Dump Truck 7 Replacement: Replacement of the 2005 7400 International Harvester truck.

Highway Dump Truck 5 Replacement: Replacement of the 2006 7400 International Harvester truck. The truck, which is currently in very good condition, would not be replaced until the 2017-2018 fiscal year.

Utility Truck #11 Replacement: Replace utility truck currently used by DPW custodians.

Truck #8: Replace 2008 F-250 pickup truck and plow.

Roadside Mower Attachments: Replace attachments that are utilized by the roadside mower.

Hustler Field Mower: Replace 2005 Hustler 4600 120 inch mower. Current repairs and maintenance costs the past two years have been extensive. This past season the mower was out of service for extended periods of time. Mower has also shown to be a very poor quality cutting unit.

Zero-Turn Mower Replacement - Replace 2009 Hustler Super Z 72 inch mower. The past two years repairs and down time have been increasing. Mower has been over utilized the past two years due to the field mower being out of service.

Sand-Pro Replacement - Replace 1999 Toro 3040 Sand-Pro infield groomer. The past two years repairs and down time have been increasing.

Police Vehicle Replacement: Funds the replacement of police vehicles at the rate of three every two years. The current budget funds only one vehicle and therefore two vehicles will have to be purchased next year.

Fire/ EMS - New Apparatus: Provides funding for the timely replacement of fire apparatus on a long range basis.

Fire/ EMS – New Ambulance: Provides funding for the replacement of a new EMS unit every five (5) years. The estimated replacement cost is approximately 190,000.

Ladder Truck: As a result of a failed inspection it was recently determined that a missing wear block caused significant damage to the vehicle. It is estimated to cost over \$100,000 to partially repair. Due to the age of the vehicle it is determined to be more cost effective to replace the truck.

Kevin D. Case Superintendent of Schools kcase@cantonschools.org

March 9, 2015

Dear Members of the Board of Finance:

Attached is the proposed budget for the 2015-2016 school year, which was adopted by the Board of Education on March 4, 2015. The proposed 2015-2016 budget seeks a 1.23% increase over this current year's spending. We have approached the development of this budget responsibly, recognizing the extraordinarily difficult economic times and fiscal constraints of the Town, while maintaining our obligation to meet the individual needs of the students in the Canton Public Schools.

The budget process began this past Fall as the administrators worked with their staff to develop budget requests based upon school and department needs. In January, each administrator presented their budget requests to Jordan Grossman, Assistant Superintendent, Anna Robbins, Business Manager, and the Superintendent of Schools. These administrators then presented their budget requests to the Board of Education. The Finance Subcommittee then met several times to review the requests and to provide feedback as this budget was developed. This budget was developed with the following priorities in mind:

- Fund contractual obligations associated with staffing the school district at a level to promote high levels of student achievement.
- Ensure that all class sizes remain within the Board of Education's Instruction Policy's Class Size Guidelines.
- Meet the individual needs of students receiving special education and related services.
- Continue to provide effective Professional Development opportunities to staff, supporting their work toward district and school goals
- Continue to maintain our school buildings and grounds.

The challenges for 2015-2016 include not only maintaining the excellent quality of the education our students receive in our our schools but also in continuing to implement state driven mandates. These mandates include a new teacher and administrator evaluation plan, implementing the new Smarter Balanced Assessments System, and aligning our curriculum with the Common Core State Standards. We also need to ensure students have the appropriate technology and that our technology infrastructure supports that technology. There are several maintenance and building projects that need to be addressed to keep our schools safe and healthy for both our staff and students.

Contractual obligations related to employee salaries account for a \$658,000 increase. Transportation costs for students will increase by \$31,000, while maintenance costs will increase by \$10,000. Savings were realized in the area of employee benefits due to recent contract negotiations and improved claims history in the amount of \$379,000. Savings were also realized in utilities and special education services. Due to decreasing enrollment at the elementary level, savings resulted from the net reduction of a .5 FTE teacher.

This budget allows the Board of Education to implement Full Day Kindergarten on a non-tuition basis for all students and add additional staff to support the increased enrollment at Canton Middle School (.4 FTE teachers) and increased elective courses at Canton High School (.4 FTE teachers) allowing more opportunities for students. Funding for additional club opportunities at each of our schools is also included in this request.

The Board of Education worked diligently to fully utilize the Open Choice Attendance Grant to fund several items normally funded through the operating budget, including the purchase of additional student technology and software, textbooks for Canton Middle School and Canton High School, materials and equipment needed to support additional elective courses and initiatives, along with the funding of a .5 FTE STEM (Science, Technology, Engineering, and Math) Teacher to teach a Computer Coding Experiential at Canton Middle School and coordinate K-12 STEM instructional activities.

The Board of Education will continue to implement an athletic participation fee for students participating on athletic teams. These fees will fund the cost of the athletic trainer and associated costs associated with the athletic budget. The Board of Education has also budgeted \$88,000 required to fund the maintenance and replacement costs associated with the track/field capital project.

Other capital projects included in this request include the necessary maintenance of the water system at Cherry Brook Primary School, the repair of a portion of the slate roof at Canton Intermediate School, the replacement of the main doors at Canton Intermediate School, the installation of much needed insulation in the third grade wing at Cherry Brook Primary School, and the replacement and environmental remediation of a few tiled floors throughout the District. These projects need to be addressed as soon as possible and while they have been identified for the last few years, they have not received adequate funding necessary for their completion.

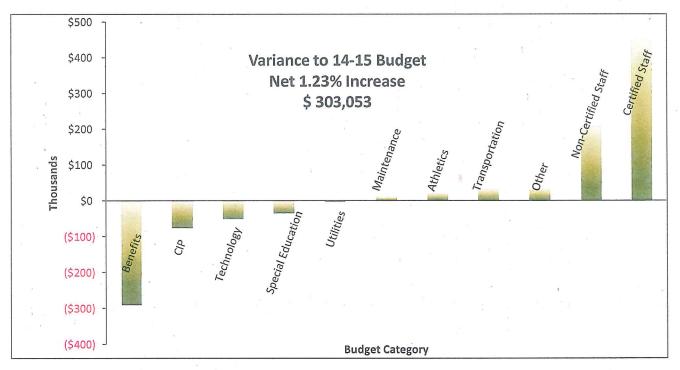

This budget development process required extra attention this year from start to finish, as each request and line item continued to be scrutinized as never before. It is our hope that you will support this budget as submitted. If additional reductions are made, existing non-certified and certified staff and programs will be affected, which would greatly diminish the quality of our school system. We wish to see the Canton Public Schools continuously improve by providing the highest quality educational experiences and opportunities for our students. The Board of Education and I look forward to discussing these details with you.

Sincerely,

Kevin D. Case

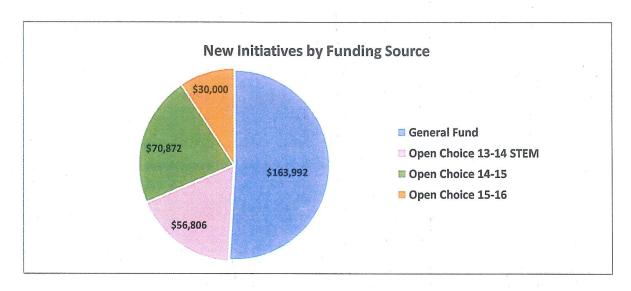

Superintendent of Schools

Keuin D. Case

 -.5 FTE

Class Size

Every effort shall be made to maintain the number of students per academic class as follows:

Kindergarten 16-21 Grades 1-6 18-26 Grades 7-12 6-30

It is recognized that some classes may be outside this range, either larger or smaller. No class size shall exceed the highest numbers stated above for each category without coming to the attention of the Board of Education.

Recognizing the social and academic needs of younger children, the Board will attempt to keep average class sizes for earlier grades close to the beginning of the range. The Superintendent will monitor current class sizes and anticipated changes in enrollment. Adjustments requiring additional expenditures must be approved by the Board of Education.

-.5 FTE

Class Size

Every effort shall be made to maintain the number of students per academic class as follows:

Kindergarten 16-21 Grades 1-6 18-26 Grades 7-12 6-30

It is recognized that some classes may be outside this range, either larger or smaller. No class size shall exceed the highest numbers stated above for each category without coming to the attention of the Board of Education.

Recognizing the social and academic needs of younger children, the Board will attempt to keep average class sizes for earlier grades close to the beginning of the range. The Superintendent will monitor current class sizes and anticipated changes in enrollment. Adjustments requiring additional expenditures must be approved by the Board of Education.

Canton High School Superintendent's Budget 2015-2016

Detai	ls for 15-1	6 Object	Code 50	541	I		3/4/2015 15-16 BOE
							Adopted
Fund	Location	Function	Object	Project	Dept	Account Description	Budget
100	11	1000	5641	0110	00	CHS TEXTBOOKS	
						MATH:	
						10 AP Statistics books based on projected enrollment increase (36 present with 51 projected)	\$0.00
						SCIENCE:	
						Academic Chemistry (70 copies)	\$0.00
						Our current text is 2002 and extremely well-worn and needs physical replacement. Additionally, we are trying to align the course with H Chem to allow for greater flexibility in movement up & down in Chemistry. Includes 6 years of student on-line license.	
						AP Chemistry(26 copies)	\$0.0
					3	Current text is from 2003 and exceeds allowable age for AP courses required by College Board. Includes 6 years of student on-line license	
						AP Physics (20 copies)	\$0.0
						Current text is from 2004 and will exceed allowable 10 year age limit of College Board in the 14-15 school year. Includes 6 years of student on-line license.	

Canton High School Superintendent's Budget 2015-2016

Fund		6 Object Function			Dept	Account Description	15-16 BOE Adopted Budget
						SOCIAL STUDIES:	
						Academic World History 9th	\$0.00
				đ	a G	13 more books. Increase in enrollment. \$97.62 each + 6.05 each to ship. Current inventory: 97 books, Proj Enrol: 110. ISBN: 9780076647118. Price quote attached.	·
	÷					Government Textbooks - Title to be Determined	\$0.00
					S.	Rationale: Current Government text is not grade appropriate (It is 10th grade. New course is for 12th grade). It is also out of date @ 1999. This course is a graduation requirement. 60 books @ 91.47 + shipping each. (semester course) Price quote attached based upon PEARSON. However, actual book has not been selected.	
						Honors Economics Textbooks - Price quote #14944270	\$0.00
						25 class set @ \$209.30 each (\$5,232.50) + shipping (\$523.25). Rationale: Book & online resource for formulas, graphs, charts, problems, etc. This will mark the third year that this new course is running without a textbook because of budget cuts.	
						AP Comparative Government Textbooks	\$0.00
		п				5 books x \$ 82.00 - Anticipated increase in enrollment now that Govt is a mandatory course for all Srs. Amazon.com price.	
			2.0			Total	\$0.0

		1000				MUSIC EQUIPMENT AND REPAIR	
Piano	Maintena	nce				Tunings - 30 @ \$90	\$0.00
						Action Maintenance/Overhauls	\$0.00
	·					Piano Dolly for Upright in the Auditorium	\$0.00
						Rationale: This includes maintenance piano tunings for 6 upright pianos (2 per), the baby grand piano in the MS/HS chorus room (6-7), & the grand piano (3) in the auditorium as well as performance tunings for each set of school concerts (8). Tuning costs will remain the same for next year. Repairs are needed on the Kawai upright piano that is used for CIS school concerts. The piano in the pit of the auditorium needs a piano dolly. It is used for rehearsals for middle school/high school productions, & it is moved around quite often. The legs have been repaired numerous times as it is not meant to be moved so often. This affects tuning as well, & presents a high risk of injury if a leg breaks and the piano falls!	
Band	Instrumer	ıts				Summer Preventative Maintenance	\$0.00
						School Year Repairs	\$0.00
		***********				Donations made school ready	\$0.00
						Rationale: The repairs of instruments are a combination of summer repairs/maintenance, as well as any additional repair needs that may occur throughout the school year. Repairs during the school year are based upon the expenses incurred in past years. Any donated instruments must receive maintenance prior to use, including a chemical cleaning for sanitary purposes. These instruments are then loaned to families that cannot afford to rent one for their child. Currently we have 5 instruments in need of repair at approximately \$100 per instrument. Future Needs: include budgeting for overhauls of older instruments. These can range from \$500 to \$2,000 depending on the instrument.	
Perci	ission					Summer Maintenance including repairs and adjustments	\$0.00
		-		,		Rationale: Regular maintenance is required on percussion instruments including adjustments, head replacement, etc. This is especially needed on our instruments that are shared by the middle/high school.	
Musi	c Technolo	gy/Sound	Systems			Cables, headphones, keyboards, microphones	\$0.00
			Ī			Rationale: Funds are set aside to repair cables, microphones & sound equipment broken through normal wear	
_						Total	\$0.00

						HS Jazz Workshop 4 @ \$60	\$240.00
						HS Jazz Ensemble 5 @ \$80	\$400.00
Chora	al Music					Grades 4-6 - Varies	\$200.00
						Grade 7 - projecting 75 students - 5 new pieces @ \$150	\$750.00
						Grade 8 - projecting 65 students - 5 new pieces @ \$130	\$650.00
						MS Chamber Singers - 30 students - 5 new pieces @ \$60	\$300.00
						Concert Choir I&II - projecting 110 students-5 new pieces @ \$220	\$1,100.00
						HS Chamber Singers – 20 students – 5 new pieces @ \$40	\$200.00
						Rationale: Band: CIS is in need of new band/jazz band/wind ensemble music. Mark Buonfiglio has written/arranged a large volume of music (which saves us significant costs) & we have a good music library. However, it is crucial that our students be exposed to a wider variety of quality literature written by some of the finest composers. CMS/CHS-Concert Bands perform & sight read 8-10 pieces per year per group. Jazz Band performs and sight reads 6-8 pieces per year. Chorus: Each choral piece selected requires a separate piece of music for each student at approximately \$2 per piece. Choral music becomes the main vehicle of instruction when classroom music ends after grade 6. We are continually working to upgrade our library to align with the National Standards, the skill level of our students, and to keep current with the highest quality ensemble literature. Older, quality literature already in our libraries must be augmented and/or replaced periodically. Many pieces are out-of-print and cannot be replenished.

0.0			T	—		Drum Throne	\$160,00
				-		Stealth Jam Blocks-2 @ \$40 each	\$80.00
						Sonar Primary Timpani- 2 @ \$315 each	\$630.0
						Sleigh Bells	\$13.0
						Yamaha 61-Key Portable Arranger	\$249.9
						Martin DRS1 Dreadnought	\$750.0
						Rationale: These portable timpani in Mark's room will afford him the opportunity to further develop his percussion section. The present need to move the timpani back & forth from the cafeteria causes wear and tear on the instruments. The jam blocks will replace a broken wood block, and the sleigh bells will replace broken bells. The drum throne currently being used was purchased in the 1980's! The seat has a hole in it, and the bolt no longer holds the seat in place. This presents an obvious safety hazard!	1

Fund	Location	Function	Object	Project	Dept.	Account Description	15-16 BOE Adopted Budget
				 	<u> </u>	Rationale: Instrumental supplies cover a wide variety of items including disposables. The specific purchases vary annually	
			i			based upon immediate needs, i.e. broken drum heads or mallets. Costs of supplies (music, valve oil, reeds, CD's, etc.) for band, chorus, and technology continue to increase, and supply purchases are directly affected by other demands within the department such as the need to upgrade malfunctioning electronic keyboards. See detail for cost/quantity of each item in itemized tab	
Office	Supplies					Markers, batteries, pencils, CD's, etc CMS/CHS	\$200.00
						School Smart Heavy Duty 2 Pocket Portfolio 3 Hole Fastener 25 Pack-10 @ \$13.85 @ CIS for use by students to organize & hold music	\$138.50
Classi	oom Instri	ıments	-			West Music 10" Lummi Sticks- 12 pairs	\$36,00
						Studio 49 Grillodur Bar Xylophone Mallets	\$54.00
						Rationale: Classroom instruments include hand percussion, whistles and various ORFF keyboard instruments (i.e. xylophone). These replace and augment some of the existing equipment, and afford all students the opportunity to participate in classroom activities with sufficient and quality resources.	-
CBPS	Classroom	Music				Classroom Instruments	\$132.00
						Resource and song books	\$46.00
		·				Videos, DVDs and CDs	\$290.00
						Recorders	\$536.00
						Equipment/Recording Supplies	\$1,808.00
						Classroom Supplies (Floor Tape, pencils, planning books)	\$45.00
	,				-	Rationale: Classroom instruments include hand percussion, whistles, and stands for the xylophones. These replace and augment existing inventory and afford all students the opportunity to participate in classroom activities. Recorders are used in Grade 3. Equipment and recording supplies are crucial for the creation of student portfolios, and for enhancing the opportunity to foster critical listening skills.	
Conce	ert Dress					Tuxedos - 4@ \$125	\$500.00
						Concert Dresses – 5 @ \$70	\$350.00
						Rationale: The Chamber Singers are the premiere vocal group in our district, representing Canton throughout the community and the region. Tuxedos were recently purchased for the gentlemen, & concert dresses for the ladies. This will ensure that all members have proper sizes to wear, & that garments may be altered/replaced as necessary.	
				T .	1	Total	\$17,306.19

Deta	ils for 15-10	Object C	ode 5	641			3/4/2015
Func	Location	Function	Obje	Project	Dept.	Account Description	15-16 BOE Adopted Budget
100		1000		0110		MUSIC TEXTBOOKS

						Choral Sight Singing Books – 40 @ \$8 ea	\$320.00
						Total Musicianship Workbooks – 40 @ \$8 ea	\$320.00
						Real Books/Jamey Aebersold Volumes-5 @ \$40 ea	\$200.00
						Standards of Excellence Book 2 – 50 @ \$10 ea	\$500.00
						Rationale: Workbooks for band & choral students designed specifically for skill development in a large group setting. Building Better Bands is used for grade 7 & 8 bands. Choral Sight-Singing is used for grade 7 & 8 choruses, and is crucial for developing their reading and auditory skills. Total Musicianship is used for grades 9-12 for the enhancement and development of ensemble skills. Real Books are used by the jazz groups and focus on small ensemble and jazz improvisation skills. Jamey Aerbersold books are also used to enhance improvisation skills.	
						Total	\$1,520.00

Fund	Location	Function	Object	Projec	Dept.	Name of Account	15-16 BOE Adopted Budget
	60		5420		05	Auditorium	
Suppl	ies					Gaffe tape, spike tape, gells, audio and visual cables, misc.	\$0.00
						Rationale: These supplies are specific to the auditorium and are an annual expense.	\$0.00
Maint	tenance					Replacement bulbs for stage lighting, repair curtains, replace outdated rigging, curtains on stage are losing their fire resistance	\$0.00
						Rationale: The replacement of bulbs for stage lighting is an annual expense. There is currently paint on the curtains & they are in need of repair. The rigging is outdated & should be replaced. This would be an annual expense until the project was completed.	\$0.00
Equip	ment Rep	lacement				2 hand held wireless microphones	\$0.00
						Under stage snake	\$0.00
						Ear/wig/lavaliere microphones (12 @ \$300.00 each)	\$0.00
						Replace follow spots	\$0.00
-					. •	Rationale: The wireless microphones have been a consistent request. CHS/CMS currently does not own a wireless mic. These would be used at school assemblies as well as for musical events. The under stage snake will keep wires out of pedestrian areas of the auditorium. We presently rent the ear microphones at approximately \$1,200 per year. It would be financially prudent to own them. The present follow spots are old & are rapidly becoming a safety hazard!	\$0.00
Canit	al Improve	mente	-			Scenic Track System	\$0.00
Сари	l	ments				Lighting Updates (can be done in phases)	\$0.00
						Projectors for side screens (includes installation)	\$0.00
						Rationale: The current scenic track system is an outdated & non-compliant manual winch system that is used for event specific scenic drops. Updating the current lighting system will resolve the issue of poorly lit areas on the stage and pit. The projectors for the side screens are frequently used with a temporary projector set-up.	\$0.00

Mileage		*			Claire McCarthy, John Mastroianni	\$250.00
				IR IR IR	Rationale: The percussion artist-in-residence program has worked in partnership with the Canton Parents for Music. (14 years) The increasing concerns over the economy in recent years has placed a greater burden upon them. I am respectfully requesting that the district be responsible for a greater contribution to the partnership. This will allow us to continue this vital asset to our program. My future vision is to expand this program to include an artist-in-residence for each section of the band (flute, woodwind, double reed, trumpet, low brass, percussion). This would add 4 artists-in-residence to our current program, and would greatly enhance the level of musicianship of all students. Parents for Music has also paid for a sound technician after it was cut from the budget. The mileage request is for staff members that travel to different schools.	a a a a a a a a a a a a a a a a a a a

Canton Board of Education Grant Summary 2015

Canton BOE Fund Number	Grant Name	Grant Period	Grant Amount	Description
201	Title I	2013-2015	\$53,306	Title I is a federal program that provides funds to school districts and schools with high numbers or high percentages of children who are disadvantaged to support a variety of services. Its overall purpose is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and assessments. The grant contains provisions for ensuring that children who are disadvantaged enrolled in private schools also benefit from the academic enrichment services funded with Title I, Part A funds.
202	Title II	2013-2015	\$31,165	The purpose of Title II, Part A is to increase the academic achievement of all students by helping schools and districts improve teacher and principal quality and ensure that all teachers are highly qualified. School districts have the flexibility to use Title IIA funds creatively to address the challenges of teacher and principal quality. This includes teacher preparation and qualifications of new teachers, recruitment and hiring, induction, professional development, and retention. In addition, Title IIA funds may be used to improve the skills and knowledge of principals for effective school leadership.
207	Adult Education Cooperative Grant	2015	\$2,588	Sections 10-67 to 10-73(d), inclusive, of the Connecticut General Statutes (C.G.S) require that the adult education services described in this section be provided by local school districts, free of charge, to any adult 16 years of age or older who is not enrolled in a public elementary or secondary school program. Local school districts and other eligible agencies providing mandated adult education programs are reimbursed by the Connecticut State Department of Education on a cost-sharing, sliding scale based on the relative wealth of a district.
211	IDEA 611	2013-2015	\$287,582	Individuals with Disabilities Education Act – Grants to States Program (IDEA-B) provides funding to local education agencies (LEAs) to supplement and/or increase the level of special education and related services provided to eligible students with disabilities ages 5 through 21 who are enrolled in special education programs

Canton Board of Education Grant Summary 2015

Canton BOE Fund Number	Grant Name	Grant Period	Grant Amount	Description
219	IDEA 619	2012-2014	\$9,750	Individuals with Disabilities Education Act – Grants to States Program (IDEA-B) provides funding to local education agencies (LEAs) to supplement and/or increase the level of special education and related services provided to eligible pre-school students with disabilities who are enrolled in special education programs
231	Open Choice Attendance Grant	2015	\$704,000	Open Choice is a voluntary interdistrict attendance program that allows students from large urban districts to attend suburban schools and vice versa, on a space-available basis. Its purpose is to reduce racial, ethnic, and economic isolation; improve academic achievement; and provide public school choice. The state pays a school district that accepts students ("receiving district") the following grants: • \$3,000 per student to districts where Open Choice students are less than 2% of the district's total student population, • \$4,000 per student for districts with 2% to 3% Open Choice enrollment, or • \$6,000 per student for districts with Open Choice enrollment of at least 3% of total enrollment or, for a district with more than 4,000 students, if the education commissioner determines the district increased its Open Choice enrollment by at least 50% as of October 1, 2012. If actual enrollment in the program is lower than the number of students for which funds were appropriated, the first \$500,000 of the excess money is used for supplemental grants of up to \$1,000 per student. These supplemental grants are distributed pro rata to receiving districts for any students who attend a school that enrolls at least 10 Open Choice students. Excess funds over \$500,000 and up to \$1 million are distributed pro rata to districts that increased their numbers of out-of-district students enrolled compared to the prior year.
234	Open Choice Academic, Student and Social Support (Sheff Region)	2015	\$175,225	The purpose of this grant is to promote academic and social success for students participating in the Sheff Region Open Choice Program

Canton Board of Education Grant Summary 2015

Canton BOE Fund Number	Grant Name	Grant Period	Grant Amount	Description
237	Early Beginnings	2015	\$40,500	Early Beginnings is the preschool and kindergarten component of Open Choice, which enrolls Hartford students in kindergarten classrooms in suburban schools, as well as suburban students in Hartford classrooms, at no cost to the family. The overarching goal of Open Choice Early Beginnings (OCEB) is to improve the academic success and integration of preschool age students in Open Choice settings, providing a PK-grade 12 experience in Open Choice districts, where applicable. OCEB preschool entry is a child's pathway to a comprehensive education preschool through high school graduation. Through combined efforts of all educators involved in the Early Beginnings program, students' receive a well-rounded early childhood education. The grant is calculated based on enrollment of Open Choice students in the Extended Kindergarten Program.
247	Open Choice Capital Grant	2015	\$75,000	To improve infrastructure. Allocation based on Open Choice Students attending Canton Public Schools. Competitive grant awarded through application process.
	School Security Grant - State of CT	2015	\$103,398	Improvements to the security infrastructure at schools. This is a reimbursable grant. The District is required to fund the projects and the State of Connecticut matches at our construction reimbursement rate.
